### Buy a pipe— and some P.A.

### Get the joy that's due you!

We print it right here that if you don't know the "feel" and the friendship of a joy's jimmy pipe—GO GET ONE! And—get some Prince Albert and bang a howdy-do on the big smoke-gong!

For, Prince Albert's quality—flavor—coolness—fragrance—is in a class of its own! You never tasted such tobacco! Why—figure out what it alone means to your tongue and temper when we tell you that Prince Albert can't bite, can't parch! Our exclusive patented process fixes that!

Prince Albert is a revelation in a makin's cigarette! My, but how that delightful flavor makes a dent! And, how it does answer that hankering! Prince Albert rolls easy and stays put because it is crimped cut. And, say—oh, go on and get the papers or a pipe! Do it right now!

### STARVING LIVESTOCK TO BE HELPED

The Oregon State Humane Society is organizing a campaign to prevent the starving of millions of cattle and sheep on the ranges next winter.

Some of the biggest cattle and sheep men in the state, like Hanley and Stanfield, in Eastern Oregon, say winter starvation must stop.

The Humane Society proposes to conduct an educational campaign in the cattle and sheep counties and get suitable legislation enacted.

The federal government and the banks are asked to put up millions to help save the livestock industry, and why let them starve?

Single counties are reported to have 100,000 tons surplus hay to carry over into next winter, and there is practically no market for it.

The power of the state and the federal government must be invoked to take the cattle and sheep to the hay or the hay to the sheep and cattle.

Letting herds and flocks perish on the ranges for lack of food and water and shelter robs the state of millions annually.
