

"Net Profits After Interest"

"Net Profits After Interest" is one of the pleasantest things Northwestern Electric has to talk about.

It's where the money comes from that pays the dividends to stockholders—and we have just paid dividend number 25 without missing a single one.

Another pleasant feature is the way this net profit after interest keeps growing larger, as this table shows:

1916	\$192,205.00
1917	\$220,072.00
1918	\$281,085.00
1919	\$354,400.00
1920	\$353,206.00

An Increase of 85 Per Cent in Four Years

A part interest in the business and profits of Northwestern Electric Company is carried in every share of its Cumulative First Preferred Stock, which pays 7.37 per cent on the investment. A Special Savings Plan with interest bearing partial payments places this stock within the reach of every self-supporting man and woman.

This issue is limited to 10,000 shares.

P. U. MOVING

Pacific University, Forest Grove, Ore., Aug. 13 (Sp.)—Four games of a possible eight already have been arranged by Director of Athletics Frank for the football season of Pacific University. The games scheduled to date follow:

Mt. Angel, at Forest Grove, Oct. 1.

Chemawa Indians, at Forest Grove, Oct. 15.

Albany College, at Albany, October 21.

University of Puget Sound, at Forest Grove, Nov. 11.

This leaves a few open dates for the University team in which to get in games with Willamette University and Whitman College and one or two others which Mr. Frank is expecting to arrange.

Frank said yesterday that Pacific University would have what

spring, and already has put the "gym," swimming pool and indoor track in A-1 condition for the coming football and basketball seasons. The gridiron is next to be put in good condition. The fence has been repaired and the old grandstand soon will pass into history. New goal posts will go up this week and other things will be done to the gridiron to make it one of the best in the valley.

K. K. HANDE

K. K. Hande, well known here and at Vancouver, Wn., died in Spring Valley, Minn., July 27, 1921, after an illness of only several months. He was born in Norway, December 19, 1852, and came to America when a young man. For the past few years he resided in Hillsboro and at Vancouver, Wn., where he was employed in the shipyards. He was a blacksmith by trade, and a finished workman. He is survived by his widow and a daughter, Mrs. Emma Wentworth, of Spring Valley, Minnesota, and a son, C. A. Hande, of Hillsboro.

Wanted—Good team, 1200 each. Must be very reasonable. —A. E. Jenne, Buxton, Ore. 24

own Gasoline & Mileage

QUALITY DOMINATES

Quality is the genius of production; and the dominant characteristic of Red Crown gasoline is quality.

One cannot experience the results of quality unless quality is in the product.

"Red Crown" is an all-refinery gasoline; a product of quality—a perfect stream of power—that makes it possible for you to enjoy the maximum power and the maximum speed your engine was designed to develop.

Look for Standard Oil Service Stations and for the Red Crown sign at garages, service stations, and other dealers. There you will be able to get good service with Red Crown gasoline.
