

Make her kitchen a pride and joy.

Perhaps nothing is more disheartening to a housewife, more trying to her nerves, than a dark, dingy, unattractive kitchen. And nothing is easier of correction.

B-H Satin Egg Shell Finish on the walls—any one of 12 artistic shades—and B-H Gold Seal White Enamel on the woodwork will turn her kitchen into a room to be proud of—one to invite friends to inspect.

Be sure to think of Bass-Hueter when considering a painting job—whether a room or an entire house—inside work or out. The B-H line contains paints, varnishes, stains, enamels, in fact preparations for every painting use.

Our Home Beautiful Department will gladly send you valuable and helpful suggestions. Write us: BASS-HUETER PAINT CO. San Francisco, Cal.

More mileage—the result of complete vaporization

It isn't gasoline that explodes in the cylinder of your car and makes power.

It's gas—air, mixed in the carburetor with gasoline to form vapor.

Red Crown gasoline vaporizes completely. It forms a homogeneous mixture with 12 to 16 times its volume of air. That mixture explodes cleanly and powerfully, leaving comparatively little carbon residue on valves, spark plugs and cylinder walls.

That's why you get better mileage out of "Red Crown"—and a cleaner, sweeter-running engine.

Fill at the Red Crown sign—at Standard Oil Service Stations, at garages and at other dealers.
