Don't Neglect Your Floors

It's fun to paint or varnish them
yourself—easy too

FLOORS that have a good fin-
ish do not get scuffed and
worn, the finish takes the wear.
Well finished floors always look
better, too.

If your floors need refinishing
and you can't get a painter to do
the work, refinish them yourself.
You can do it easily—it's really
fun.

Our "Home Service Paint De-
partment" was organized just to
help women refinish things about
the home. Write for free advice,
telling us what you want to re-
finish and how you want it to
look.

Our experts will explain every
step of the work and recommend
the right materials, brushes, etc.

There are special Fuller
Paints, Varnishes, Enamels, Wall

Finishes and Stains for you to
use. They are the best products
of their kind that we know and
we have been making such prod-
ucts for 73 years.

Take advantage of Fuller's
Free Advice and Fuller's Prod-
ucts in beautifying your home.
The results will surprise you.
The work will fascinate you.
