### THE HILLSBORO ARGUS

County Official Paper

L. A. Long, Editor

Subscription, \$1.50 per annum.

Issued every Thursday by Mrs. E. C. McKinney and L. A. Long

Entered at the Post Office at Hillsboro, Oregon, as second class mail matter.

Hillsboro came back strong this year with a celebration that eclipsed all past efforts. Considering the warm wave, commercial quietness and several deterrent conditions, the committee, Messrs. Phelps, A. H. Rasmussen and F. L. Austin, are to be congratulated on the success of the affair—and M. P. Cady is entitled to a vote of thanks for the success of his parade efforts.

Mr. Hall has at last started something, having filed his contest. He expects to overcome O'cott's official lead of over 500 and have the courts declare the contestee winner by about 5,000 votes. Mr. Hall has the right to be an optimist, even if he is a waste of time.

### COLOR GUARD

J. C. Lamkin, who for years has carried the colors in the Fourth of July parade, although ill, was present to perform his usual custom. He was in an auto in charge of Old Glory, although he really should have been in bed. "Jim," as he is familiarly called, is an ex-confederate, but he is always ready to fight for the stars and stripes.

### CARD OF THANKS

The 4th of July committee desires to thank all those who so kindly and cheerfully assisted in making the celebration the success it proved to be. It is only by such generous help that the committee was able to accomplish what was expected of them.

O. Phelps, F. L. Austin, A. H. Rasmussen.

W. A. Casler, wife, and son, Roy, arrived the last of the week, overland, from New Mexico, making the trip in a Hudson. They were called here on account of illness of a relative and expect to return in a short time. Mr. Casler Sr. was formerly in the garage business on Third St., with O. L. Huff.

Found—Man's cap. Telephone 243, Hillsboro.

For Sale—\$450 piano for \$275.—Inquire at Anderson's Jewelry Store. 18-20

Remy Delplanché, of Shelton, was a Hillsboro caller yesterday.

A. R. England has filed suit against August Harkins for payment of a \$60 insurance premium, due two years ago.

Chas. L. Hane, of Portland, and Violet Bertrand, this county, were married July 5, 1922, Judge W. D. Smith officiating.

The Woman's Foreign Missionary Society of the M. E. church will meet at the home of Mrs. Jas. Forsythe, on West Jackson Street, Friday, July 7, at 2:30 p. m.

The W. C. T. U. will meet with Mrs. Helms, 1350 Baseline St., July 11, at 2 p. m. Come and bring scissors and thimble to sew for the Children's Farm Home. All are cordially invited.

T. J. Pevchouse, just in the throes of Logan harvest, nearly severed one of his thumbs the other day, while cutting wood. Dr. Smith is attempting to save the digit, and hopes for the best meantime. T. J. is having some rest that isn't appreciated just at this time.

Public sale at Yamhill, July 14—50 Jersey and Holstein cows, fresh or coming fresh; 7 horses; 43 Shropshire ewes; brood sows, goats and farm machinery. Six months' time at 8 per cent.—E. E. Morgan, owner. J. W. Hughes, auctioneer.

Marriage license has been granted Philip Casbeer, of Linn county, and Fern Leaf Row, of this county. The prospective groom has a fine hot weather name, but the bride-elect's name is all according to the way it is pronounced. License was also granted Roseoe Benefiel and Royana McGraw, of Banks.

Irus M. Wells, of Chicago, cousin of C. E. Wells, was here last week, a guest of C. E. Wells and family and the boys had a great time discussing their boyhood days. The visitor came West to attend the Shrine convention at San Francisco. His wife visited in Seattle while he was South, and both will return here the last of this week for an extended visit.

W. C. Hudson, who has been fighting fire up near Westminister, was down from above Banks yesterday. He says that the Eagle Lumber Co. lost three donkeys in the forest fire the other day, and much valuable timber has been destroyed. Mr. Hudson says the report that two men were burned up in the timber fire is without foundation.

Ray Sigler and family are spending the warm season at their camp at Big Bend, a mile south of town, Sigler having leased the place for the summer. He has fixed approaches to the water, has some "high-dive" springboards, bath houses, etc., and his retreat is getting considerable attention of those who are afflicted with "swimmingitis"—and they are legion.

Two traveling men drove an auto into town—it took them both to drive it—yesterday, and both were intoxicated. They had no hootch with them, their cargo having been consumed. They ran into a curb and were picked up by Chief Larsen and Deputy Stockdale. A search for the forbidden was fruitless—but a report was started that they had two suitcases of the bonded stuff. There was considerable "watering of the mouth" along the streets of the business section. It sounded good anyway!

### POSTAL INCREASE

Postmaster Harry A. Ball reports a satisfactory increase in receipts of the Hillsboro postoffice for the quarter ending June 30. The receipts were \$3,594.87 against \$3,336.88 for the corresponding period in 1921.

### BRANDENBERG—RAFFETY

Francis Brandenberg, of Oreno, and Miss Retha Raffety, of Mountandale, were united in marriage in this city, July 1, 1922, Judge W. D. Smith officiating.

### CARD OF THANKS

We desire to extend our sincere thanks to our neighbors, friends and relatives who so kindly tendered aid and sympathy in our bereavement, the death of our beloved son and brother, Delmer Myers, and return especial thanks for the beautiful floral offerings. Mr. and Mrs. Louis Meyers, and Children. Laurel, Oregon.

### AUXILIARY MEETING

The Woman's Auxiliary to the American Legion will meet this Friday evening, June 7, at the home of Mrs. R. C. Vaught. All members are requested to attend.

### MAKING NEW SURVEY

The Hill lines have an engineering corps in the mountains making a new survey of the Gales Creek & Wilson River line from this county into Tillamook. Officials of the company are reticent as to when construction will start, but it is anticipated that the line will be agreed upon by Fall and building will start early next Spring, so that timbermen wishing to build roads into the timber can forest their spurs. Work was started on the survey from the Tillamook end this week and it is expected that the line will be run through to connect with the present stretch of rails into this county. In the neighborhood of twenty miles is all that is now needed to complete the line of tele-cable. The new road will open up a big timber district as yet untouched. The present road has connections with both the United and the Southern at Wilkesboro and near Banks.

### FLOAT OF GODDESS

The Goddess of Liberty float was one of the pretty features of the big parade July 4. Miss Cecil Emmott officiated as Goddess and her attendants were the Misses Helen Connell, Doris Smith, Eva Sorenson and Theresa Corrietti. Leonard Adams piloted the car in the parade lines.

### COMMITTEE NAMED

E. J. McAlister, Glen Payne and Geo. Alexander have been appointed to act with the school board in the matter of looking over possible plans, etc., for the proposed units to the high school.

Mr. and Mrs. Wm. Siegrist and son, residents of LaGrande for many years, were here the first of the week, guests at the A. C. Shute home. They have gone to Seaside for a month and on their return will take up their residence in Portland, Mr. Siegrist having sold his business in the Union county capital.
