## The World's Greatest Baking Powder

## "RED CROWN" used exclusively in ANNUAL ECONOMY RUNS

The Los Angeles-Yosemite (Camp Curry) Economy Run is probably the most famous event of its kind in the motor world. Every year about the middle of May, while the snow still lies deep in the mountain passes, from 15 to 20 cars start the strenuous 360-mile run across the interior valleys and up the difficult mountain roads into the Yosemite Valley. Every car is carefully groomed for victory, and driven by an expert.

And in all the six runs so far held, all cars entered have used Red Crown gasoline exclusively.

This year the car making the run on the lowest consumption of fuel, a "Chevrolet driven by Dominick Basso, made the entire trip of 360 miles on 12 gallons of "Red Crown" (an average of 30 miles to the gallon), and a pint of Zerolene.

The average gasoline consumption for all cars participating was phenomenally low. This furnishes striking evidence of the continued success of this company in manufacturing a motor-car fuel of the highest grade, justifying for six successive years the unanimous choice of automotive engineers eager to establish the best possible records for their cars. This year, 18 of the 20 cars entered made the entire distance on less than 20 gallons of "Red Crown," although owing to recent rains the roads were unusually difficult.

Red Crown gasoline is the most economical motor fuel on the market today, because it contains the maximum number of heat units that can be rapidly and uniformly vaporized in the modern carburetor and go into complete combustion in the cylinders, producing the maximum power the engine was designed to develop.

Fill at the Red Crown sign—at Service Stations, garages and other dealers.

## ENGINE TURNS ON SIDE

A locomotive on the Portland, Astoria & Pacific Railway turned over on its side near Manning, Tuesday morning, about 9 o'clock. The engineer, M. S. Stokes, sustained a broken hip, and Brake-man Moore sustained serious bodily injuries, although no bones were broken. The two men were brot to Banks and taken into Portland on the United train.

## A BUSINESS COUPE FOR BUSINESS MEN

This car represents a new and important achievement in commercial transportation.

For the first time in motor car history, business men are enabled to buy a closed car, the body of which is built throughout of steel.

The advantages of this all-steel construction—reserved until now to open cars—are particularly marked in a coupe built to weather the wear and tear of hard commercial usage.

Immediately you will be impressed with the beauty and lightness of this coupe. Time will convince you of its unusual stamina. The doors snap neatly shut. Body squeaks are eliminated. Dodge Brothers enamel is baked on the surface of the steel—a permanent lustrous finish, impervious to wear.

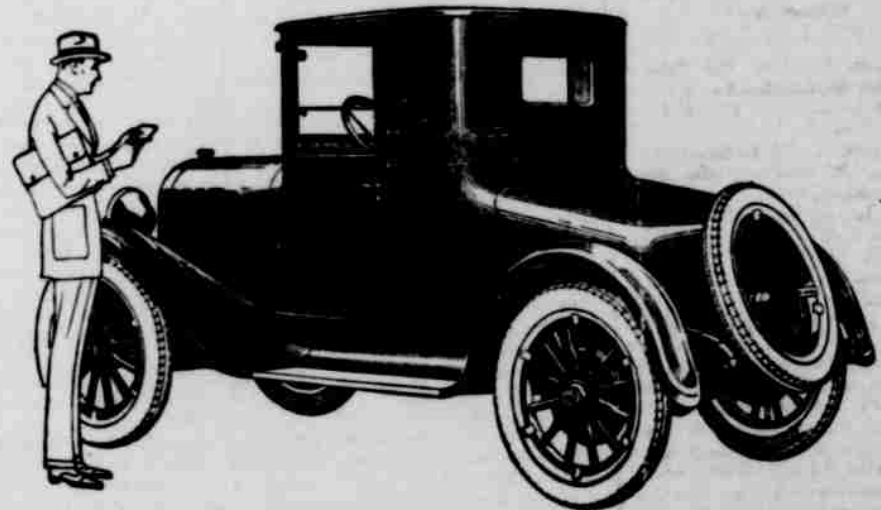

The interior is roomy and thoughtfully equipped with every appointment necessary to the owner's comfort and all-weather protection.

Business houses that equip their salesmen with motor cars have been quick to recognize in this coupe a very unusual investment.

## VISIT NEWBERG

Several members of the Hillsboro Club attended the Berrian exercises and parade at Newberg, last Saturday. All speak in glowing terms of the wonderful parade staged by the Newberg organization and a float, decorated with flowers, was in line, representing the Hillsboro Club. Miss Cecil Emmott presided over the float and was attended by the Misses Doris Smith, Helen Connell, Lillian Schmidt and Eva Sorenson. The car attracted much attention and it was received with eclat. The attendance from Hillsboro—Mayor A. C. Shute, Glenn F. Bell, secretary of the Hillsboro Club; E. L. Moore, O. Phelps, M. P. Cady, J. L. Crow, Rev. Len B. Fishback, Mr. and Mrs. A. H. Rasmussen, Mr. and Mrs. Huntington; Mesdames H. R. Emmott and Percy Long; the Misses Cecil Emmott, Lillian Schmidt, Helen Connell, Doris Smith and Eva Sorenson. The Hillsboro contingent were seated at the big banquet and Mayor Shute delivered an after dinner talk, complimenting Newberg on their wonderful showing, and told them that the audience of eight thousand people was a testimonial that Newberg always knows how to do things.

Nearly all the gentlemen attending from here are members of the Hillsboro Club.

Mrs. Martha Coleman was in from Banks Monday.

L. C. Hoeffel, of near Witch Hazel, was in the city the last of the week, shaking hands with his county seat friends.

Mrs. Nellie Hoard and daughter, and Mrs. Sarah Bagley have moved back from Portland to this city and will make this place their home.

The new standard Oil station at Third and Baseline now presents a very handsome appearance. Chas. Deichman and Clifton Bagley have positions at the filler.

Claire Sample and sister, Miss Ethel, have purchased the Den of Sweets from Leonard Brown, and are conducting the business. Leonard will devote his entire attention to the sheet metal trade.

The Washington County Teachers' Annual Institute will be held in Hillsboro, November 8, 9 and 10. This announcement was made Monday by the State Supt. of Public Instruction.

Deputy Sheriff Stockdale went to Salem the last of the week to attend the necktie party given by the State of Oregon to the two men, Rathie and Owens, who were accessories to the killing of the late T. H. Taylor, sheriff of Umatilla county.
