SPECIAL-SIX SEDAN

Studebaker 2050

THE Studebaker Special-Six Sedan will win your admiration at first glance. After you have examined it you will be even more delighted with it. When you have ridden in it you won't be satisfied with anything else.

The market does not offer a more beautiful enclosed body. Certainly none is built of better materials and finer workmanship. It is a striking example of the handicraft of Studebaker artisans.

Everything is in exquisite taste. Its distinctive body lines are enhanced by massive headlights, the graceful cowl lamps and the courtesy light just above the running board on the driver's side, which illuminates the roadway in passing other cars at night.

Inside, the inviting depth of the cushions, the subdued harmony of upholstery, the soft carpeting and the completeness of appointments offer an irresistible appeal.

It is mounted on the same Special-Six chassis which has won the enthusiasm of thousands of owners for its dependable performance, power, comfort and economy in fuel and tires.

The Studebaker Special-Six Sedan offers the utmost closed car refinement—and at moderate cost. At the new low price of \$2050 it represents the greatest closed car value that Studebaker ever offered.

The name Studebaker is your assurance of satisfaction.

Four doors that swing wide open; simple, automatic window lifts; motor or lever plate glass windows; automatic center lights; motor headlights; grille coach lamps; courtesy light; seat ventilator; windshield wiper and rain eraser; jowled eight-day clock; exhaust heater; that great transmission belt.
