### HILLSBORO'S ROUND-UP OCTOBER 12, 13 AND 14

**Hundred and Fifty Dollars in Cash Prizes to be Awarded**

#### CONTESTS OPEN TO ALL

**Twenty-Five Dollars for Any Horse That Can't be Ridden**

Hillsboro's first Round-Up is to be staged at the Hillsboro ball grounds, adjoining the Shute place, October 12, 13 and 14, and 15 in prizes will be awarded.

Contests are open to all for cow pony races, cowgirl pony races, steer bulldozing, cowboy races, cowboy relay races, cowboy bucking contests, steer riding, quick change races, trick riding, trick roping, Roman races and wild horse races.

There is to be a big free parade in the town square at 10:30 and all local cowboys or cowgirls attending and bringing a "chap," cowboy hats and handkerchiefs, will receive free admission to the round-up every day.

The management will give a prize to any one who brings a horse that can't be ridden in your outfit and get the prize. A. H. Rasmussen, who is acting as publicity for the fair, has selected as judges of the events, well known horsemen C. W. Redmond, Chick Shanley and Chester Bridges.

There will be band music daily from a cowboy band, mounted, and a big street carnival in progress in the uptown district.

A big Ferris wheel, a merry-go-round, many shows and other amusements are to feature the round-up, and the management promises three days of a good show.

Washington county once had a wild champion buckaroo, the horse having been won at the Madison Round-Up—and who was but what a new rider from the district may make the natives jump and take notice.

Ten carloads of stock are en route from Eastern Oregon, and more are coming from all parts of the state.

Headquarters for the Round-Up have been established at the Red Car Exchange—go in and ask questions—for the event is to be something new in Hillsboro.

#### OLDEST ON LINE

Producer C. E. Cline, of the Northern Pacific, holds the record for running on the West Side electric service and the old steam days. He started running in the early eighties, and has been steadily employed by the company ever since he was a youngster. For a time he was out to Roseburg, but C. E. just didn't keep off the road, and took the first opportunity to be transferred back to officiate as a line skipper.

### UNIQUE WORLD RECORD BY OREGON JERSEY SIRE

**Sultan's Telivo, Silver Medal Bull With 3 Silver Medal Daughters**

**FIRST RECORD OF ITS KIND**

**J. J. VanKleek & Sons Own the Three Silver Medal Heifers**

J. J. VanKleek & Sons, of Beaverton, Route 3, have three Jersey heifers which have earned silver medals, the sire of the trio being once owned by the same firm. The sire is Sultan's Telivo, now owned by the University of Nebraska. The bull was owned by the VanKleek's for one season, and then sold.

The three heifers' records are as follows:

Darkey's Lass, freshened at 2 years and five months, and produced on test 675 lbs. of fat, not yet official; Lettie's Blossom, freshened at two years and four months, produced 629.25 lbs. of fat, and Lula Wilda with her first calf at two years and 12 days, produced 587.29 lbs. of fat. The smallest record of the trio was 80 pounds greater than requirements of the silver medal, and the highest is 150 lbs. more than is necessary.

The dams of the three heifers are owned by the VanKleeks who kept Telivo but one season. Naturally the owners are more than proud of the three silver medal youngsters. The dam of Lula Wilda is Lula Alpha of Ashburn, at one time carrying the world senior yearling record for Jersey production.

Lettie's Blossom is the daughter of Clara Lettie of Ashburn, both sired by St. Mawes of Ashburn.

Clara Lettie made a record of 566.75 lbs. of butter fat with first calf, receiving a bronze medal, and with second calf, at 3 years and 3 months, produced 797.12 lbs. of fat, class A. A. and won a double gold medal.

VanKleek & Sons have been breeding Jerseys a number of years, and bought Sultan's Telivo when they bought their first registered cows. A careful selection was made and they now have twenty females, nearly all with high records. LaCreole Amy, a famous cow, made her record of 824.56 lbs. after their purchase, and Lula Alpha of Ashburn gained her world record as a senior yearling with a production of 800.08 lbs. of fat at the VanKleek stable.

When one considers that Jersey like these cost no more than scrub cattle after a man once gets a start, it seems absurd to raise grades provided a man is going to remain in the dairy business.

For one ranch to turn out a world's senior yearling champion and then three daughters of the silver medal variety from a silver medal bull, speaks very well for careful selection.

#### EYESIGHT IS PRICELESS

Why neglect it? Nature gave you two sets of teeth, but only one pair of eyes, and she expects you to take care of them. Neglected eyestrain in our younger days generally means poor eyesight in later years. When nature calls for aid it is good policy to pay attention. See Dr. Lusader, eyesight specialist, at Anderson's Jewelry Store, Saturdays.

### MANY FROM COUNTY ATTEND STATE FAIR

**Albert Tozier, Mayor of the Tent City, Leads Big Parade**

**COUNTY EXHIBIT FINE ONE**

**Will be Taken to the Portland Products Show This Fall**

Washington county was well represented at the State Fair last week, scores having camped in the tent city, of which Albert Tozier, former Hillsboro man, was the mayor.

The exhibit, in charge of Wm. Schulmerich, assisted by Mr. and Mrs. D. B. Burkhalter and Mrs. Wm. Schulmerich, was one of the best on the grounds, aside from Jackson county, which was entitled to the first prize it received. There is a divergence of opinion as to the remaining awards. It is hard to find a person from this county who saw the Washington county exhibit who will not say that at least it was entitled to second place, or at the very least, third place.

For diversification it had Polk county beaten, and a great majority of county visitors hold that it should have been given precedence over Polk.

The exhibit will be taken to the "Land Products Show" at Portland this fall, where it will be on display for a week.

The camping visitors had a big time, altho it was quite wet. One of the features of camp life was the big parade by the campers, led by Mayor Albert Tozier, last Friday night. Mrs. A. P. Luther, of Hillsboro, wore a costume in the habit of one hundred years ago, and A. P. wore a mask upon which was inscribed "Camped at the State Fair in 1860."

The parade rounded the camp grounds, visited the principal buildings and wound up at the executive offices, where they complimented the management for the successful fair of 1922.

#### MRS. AMELIA REESE

Mrs. Amelia Reese, of near Blooming, died September 30, 1922. She was born in St. Paul, Minn., April 18, 1857, and came to Oregon forty years ago, settling south of Cornelius, and resided there until death. She was united in marriage in 1882, to Charles Reese, who passed away about two years ago.

Seven children were born to the union, three girls and a son having died. Surviving are Herman F. Reese, connected with C. B. Buchanan & Co. for several years; Henry Reese and Alfred Reese, of Blooming, with whom she made her home.

The funeral took place October 2, at the Limber Chapel, at Sixth and Washington, and interment was in the Hillsboro cemetery. Rev. L. Stuebe, of Cornelius, conducted the service, and interment was under the direction of Geo. J. Limber.

#### HANS C. GOTTLIEB

Hans Christian Gottlieb, of north of Hillsboro, died at the Gottlieb farm, Sept. 29, 1922, after a short illness. He was born in Denmark, February 5, 1845, and came to the United States in 1873, settling first in Iowa. About forty years ago he came to Oregon and worked at the Weidler mill until 1887, when he returned to Denmark, where he remained two years and then came back to Portland, going to work for the Inman-Poulsen Co. mill people. About eighty years ago he came to Hillsboro to spend his last days with the family of his brother, the late Peter Gottlieb.

A brother, Frederick, residing in Denmark, survives of his immediate family.

The funeral took place Sunday from the Bell Chapel, and interment was in the Masonic cemetery.

#### HAS 94TH BIRTHDAY

Mr. and Mrs. William Adams, of North Hillsboro, were in Portland, Saturday, Sept. 30, celebrating the ninety-fourth birthday of Mr. Adams' mother. The affair took place at the home of Mrs. S. A. Pio, daughter of the aged pioneer.

Mrs. Adams is a pioneer of 1852, and resided in Hillsboro over a half-century. She is still in fairly good health, and her mind is quite clear. Her vision is not at all bad, and she reads readily. Mrs. Adams received over twenty postcard remembrances of her natal day from friends in the Northwest.
