COUNTY BUDGET

The county budget committee, consisting of County Judge Goodin, Commissioners John Ireland and J. J. Wismer, W. J. McCready, chairman; H. J. Valentine, secretary, and Elmer Mays, concluded their labors Monday at noon, and are advertising the budget estimates for the 1923 taxation in this week's Argus. Their findings will now be taken up at the regular annual budget session, which convenes at ten o'clock, at the court house, on December 28.

Their estimates have nothing to do with the state tax, nor the special road levies, etc. They considered only general taxation for the county, this being within their province. It will make good reading.
