 SPECIAL SIX SEDAN \$2050  
 Lasting satisfaction with a closed car depends not only upon the dependability of the chassis but upon the durability of the body.  
 In the Special Six Sedan, Studebaker offers an admirable co-ordination of these vital requirements.  
 Stop in at our showroom and see this Sedan. Stand off and get a three-quarter view of it. Note its striking beauty. Step inside and relax in the nine-inch seat cushions. Note the great roominess and the completeness of the equipment.  
 Take a ride behind its 50-horsepower motor. Try the wheel yourself. Put it to any test—every test. Try its acceleration, speed, power. Ask yourself if you ever handled a car that steers so easily—that responds so satisfactorily with just what you want, when you want it.  
 The body is a product of Studebaker skill and craftsmanship which have been developed through more than two generations of vehicle building. Highest grade of materials and workmanship have produced a body as beautiful as it is enduring.
