Add Profitable Land to Your Farm at Less Expense

LOTS of farmers around here cleared stump land last year with Pacific Stumping. That land is now putting money in the bank for them. It's no longer a loss. They save money on the job, too.

For Pacific Stumping gives you one-half more sticks per dollar—it has approximately the same strength, stick for stick, as any standard stumping powder. Non-freezing and non-headache.

Let us give you full information on Pacific Stumping and other du Pont explosives for land clearing and ditching work. We can give you quick delivery and probably some helpful advice.

BONUS STILL OPEN

There are yet ex-service men and relatives of deceased veterans who have not made application for the benefit of the Oregon bonus law. The State Aid Commission writes that it is anxious that no one should be overlooked. Mothers and fathers of deceased veterans are requested to take up the matter and receive what the law allows them, and they will see that claims are promptly liquidated. The time limit is now set at Dec. 31, 1923. Veterans who have failed to apply for their bonus should do so at once and the commission assures them there will be no delay. Take the matter up with the Legion Post of this city, or write "World War Veterans' State Aid Commission," Salem, Ore.

In San Diego it's RED CROWN by 220%

On a busy street corner in San Diego, a checker stood and asked the first hundred motorists that passed: "What gasoline do you use, and why?" 52 of them answered "Red Crown," as against 16 for the brand showing the next highest preference—a lead of 220%. Not only in San Diego, but throughout the Pacific Coast field, Red Crown is the popular gasoline, because it vaporizes completely, burns cleanly, and is uniform always and everywhere.
