Henry Sackrider, a brother of Mrs. Benton Bowman, arrived in from Marysville last Friday for a visit with the Bowmans. Mr. Sackrider made the trip up in a Nash roadster in two days and eight hours of travel—a pretty good hike. He will start home the last of the week. Mr. Sackrider formerly resided in Hillsboro, and left Forest Grove for California several years ago.

For Sale—Seed corn, Yellow Dent, good quality. Has been raised in Oregon for years, with good success for ensilage, and ripens in time.—H. Bender, Cor-nelius, Oregon, R. 1. Phone 3978.

Baptist Church, Robert G. Kay, Pastor—Bible school, 10 a. m., preaching, 11 a. m. and 7:30 p. m.; B. Y. P. U., at 6:45 p. m., subject, "The Altar of Incense," leader, Miss Agnes Groff; prayer meeting, Thursday night at 7:30. Everybody welcome.

THE STUDEBAKER

Reports reaching the Studebaker factory from all over the country show that retail sales of Studebaker cars for the year to date, have beaten all previous records says H. C. Peterson, the Studebaker dealer of Hillsboro.

Cars have been purchased by the public as fast as they arrived. They have been ordered for immediate delivery to waiting buyers, rather than to take care of the usual spring demand, and as a result there promises to be a serious shortage of Studebaker cars during April, May and June.

Several factors have contributed to this record-breaking demand for Studebaker cars. The first undoubtedly is the ever-growing appreciation of the automobile as the indispensable necessity it is in the life of today. Another factor has been the open winter the country over, with the exception of a few sections. Then, too, the increased percentage of closed car production has emphasized the insistent winter demand.

Seasonal demand is a thing of the past. Today we have an all-year demand in the winter as well as the spring, summer and fall—in the last six months of the year as well as the first six months. And the public benefits from this in a way it may not perhaps appreciate. Speaking for Studebaker, for instance, I may say that a steady, consistent demand for our product permits of greater manufacturing economies than a sharply fluctuating demand would, and the public gets the benefit of greater dollar-for-dollar values.

One of the greatest advantages we have is the fact that with the Studebaker line we do not have to lose sales because of not having the type of car the buyer wants. The complete line is an advantage in any business. The piano dealer, for instance, knows he is wasting his time trying to sell a customer an upright when that customer wants a baby grand. The piano man carries both kinds, and player-pianos besides. So it is with us. With thirteen body types on the Light Six, Special Six and Big Six chassis, we have a range and variety of models, open and enclosed, to fit every taste and purse, and this is an advantage not only in selling a man his first car but in selling him his second, third, fourth, or fifth and keeping him continuously a Studebaker owner.

PETER PYL DEAD

Peter Pyl, of East Hillsboro, suddenly expired Saturday morning, April 21, 1923, at the family home. Mr. Pyl was just preparing to come to the business district when he was stricken. He was collapsed for about 20 minutes when his heart failed him and he passed.

He was born in Holland, Europe, Sept. 25, 1850. He was united in marriage to Elizabeth Druif April 29, 1873, and the couple had been planning to celebrate their golden wedding with in a few days. They came to America in 1883, and located near Hillsboro in 1885. At the age of 18 years he united with the Reformed church and later with the Cong. church. He was the father of eight children, four dying in infancy. He is survived by his widow and the following children—Tennis Pyl, Hillsboro; Mrs. L. R. Way, Portland; and Mrs. Jno. Johansen, Hillsboro. A daughter, Mrs. Anna White, died in August, 1907. Eight grandchildren are living. Of his immediate family he is survived by a brother in Holland.

Mr. Pyl was highly respected and esteemed and he was one of the fine characters of the old school, who believed in integrity and sobriety. He was a devoted husband and father and a splendid neighbor.

The funeral took place Monday afternoon at the Congregational church, Rev. H. A. Deck officiating. Interment was in the local cemetery, direction of Geo. J. Lumber.

CHAMBER NOTES

At the regular meeting of the Chamber of Commerce the matter of a Fourth of July celebration was discussed but no action was taken. Counselman Phelps, Dr. L. W. Hyde and W. W. Bos-cow talked on the question.

Arthur Belling, who had charge of the exhibit at O. A. C. gave a very interesting outline of the affair—the Chamber was awarded third place in the show. In appreciation of his work Mr. Belling was voted a guest privilege at the Chamber.

Those desiring application blanks to enter the Camp Lewis Citizens' training camp may secure them by applying to Secretary Moore. The camp will open July 26 and close Aug. 24.

The secretary reported that the Pacific Tag Co., of St. Johns, would like to locate in Hillsboro provided \$10,000 in stock can be sold here.

The secretary reports the free seed supply exhausted, but that he has a supply of soil books and maps.

CORRECTION

Through an error in the County Agent's office an article on Corn for Silage last week read, "Corn cut while tasseling out had 34 per cent less protein and 62 per cent more carbohydrates than corn cut when the kernels were denting." This should read "62 per cent less carbohydrates etc."

O. T. McWhorter, County Agent.
