FATHERS AND SONS TO HAVE BANQUET

Union Devotional Services Scheduled Sunday

COLONEL HILL TO SPEAK

Week is Directed by J. H. Garrett—Movement Keeps Alive Best Interests in Boys

A "Father and Son" banquet tomorrow night, on the first floor of the Masonic hall, will be the feature of Father and Son week, according to J. H. Garrett, chairman of the program for Hillsboro. Music and speaking will be included in the banquet program. The banquet program will be started with an invocation by the Reverend M. A. Marcy and will be followed by community singing conducted by Dr. J. H. Rossman. The high school boys' glee club and quartet are also scheduled as a part of the evening's entertainment.

Colonel J. W. Hill, head of the Hill Military academy, will be the speaker of the evening. Colonel Hill has been connected with boys' institutions for many years and is expected to have a real message. A short talk will be given by Thomas H. Tongue for the fathers and Gerald Barr will respond for the sons. Music will be furnished by Dr. W. H. Pasley and Frank Clark.

Union devotional services will take place at the Methodist Episcopal church Sunday night. A program has been arranged and is under the direction of the Reverend Robert Kay, pastor of the Baptist church. A lawyer of Portland has been secured to give the principal address of the evening. Dr. L. W. Hyde will talk on the kind of fathers for Hillsboro boys.

All fathers and sons are expected to be together in church. A choir of boys from the various churches will give vocal selections.

Plenty of men, without sons, are being found to act as "Daddies" for the boys without fathers, says Mr. Garrett, but great difficulty has been found in trying to get the boys to accept the "Daddies."

The Young Men's Christian Association of Oregon and Idaho is promoting the observance of the week and Governor Pierce is the honorary chairman of the committee. The purpose of the movement is to keep alive the very best in American home life for growing boys; to get fathers to renew their interest and regenerate themselves to their internal obligations; to acquaint fathers more intimately with simple principles of boy psychology; to encourage fathers and sons to accept in a larger way their privileges of citizenship, and to emphasize the necessity for the homes beginning early with boys the training in physical, mental, spiritual, social and economic activities. This movement was started in 1907.

INJURED IN COLLISION

As the John Dorland family of near North Plains were leaving town Monday afternoon, their machine collided with one driven by Mrs. Mand Williams at the intersection of Second and Lincoln, with the result that Mrs. W. H. Perry suffered a broken rib and Mrs. M. A. Dorland was badly shaken up. The other occupants of the car were uninjured and the cars were not damaged to any extent.

The ladies were taken to Dr. Smith's hospital for treatment and were able to be taken home that night.

NEW STORE OPENED

Another grocery store has been opened in Hillsboro in the store room formerly occupied by the Patterson Furniture company, by F. W. Welch and A. Smith, and is known as the People's Cash store. Mr. Welch has been in the grocery business in Hillsboro for the greater part of the last fifteen years. Smith is a nephew of Mr. Welch and recently moved here from Lansing, Michigan.

They have installed a large stock and it includes groceries, rubbers and rations.

SEVENTH STRAIGHT WON BY HILLSBORO

Defeat McMinnville 19 to 0 on Armistice Day

WIN FROM TILLAMOOKERS

Hilli Has Made 101 Points to Opponents in the Games Played This Year

Hillsboro high has a real football team! Seven straight victories is the proud record of the prep school boys.

For the first time that the oldtimers can remember Hillsboro defeated McMinnville high school eleven here on the official Armistice day by the decisive score of 19 to 0. This was the second victory in four days and after only one day's rest from the trip to Tillamook, where they defeated the eleven from the coast city in another hard fought game 18 to 6.

The McMinnville game was a part of the regular Armistice Day program and was played before a record crowd, and although the Yamhill county boys had a better team than Tillamook, the local boys could not be stopped.

The gate receipts for Monday's game are estimated at over \$200 and the boys are thankful for the support they have received. It is only through this kind of support that athletics in the high school may be carried on in a successful way.

Hillsboro's touchdowns against McMinnville were made on a pass, a line plunge and an off-tackle buck. The pass was executed by Captain Frost and Lester Glascoe. The second touchdown was made on a line plunge by Frost through center and Bachelor kicked goal. Frost was also the man who carried the ball over for the third touchdown on an off-tackle buck. The entire team played hangup ball and are to be congratulated. The team played as a unit in all cases and outstanding stars were few and far between.

Hillsboro has rolled up a total of 101 counters in the seven games they have played to their opponents six. Who knows but what Coach Goodman may have a state championship team? Their record sounds like that of the University of Washington and the University of California.

Hillsboro, 25; Scappoose, 0; Hillsboro, 7; Gresham, 0; Hillsboro, 2; West Linn, 0; Hillsboro, 12; Beaverton, 0; Hillsboro, 18; Oregon City, 0; Hillsboro, 18; Tillamook 6; Hillsboro, 19; McMinnville, 0.

That is a record that any high school may well be proud of—let's turn out and give the boys our best support.

The line-up for Monday's game included L. Johnson and Ingles at ends; Horace Glascoe and Kent at tackles; Adams and Gates at guards; Forney at center; Captain Frost at quarter; L. Glascoe at full, and Bowman and Kelley at halves. The substitutions were Bachelor for Bowman, O. Johnson for Ingles, Deck for Adams and Stangel for Gates.

The next game at Hillsboro will be with St. Helens high November 23.

GRANGE DISCUSSES PROBLEMS

Co-operation of the farmer and laborer was stressed by A. Keller of Portland in his talk before the Hillsboro Grange, at a well attended meeting last Saturday. He says that the farmer is blamed by the laborer for the high cost of living, whereas the middle man absorbs too much of the profit and it is he who should be blamed.

Other speakers on the program included Dr. L. W. Hyde and William Schalmereich. That a mountain was being made out of a mole hill was the opinion expressed by Dr. Hyde in discussing the relationship between the farmer and the business man. In co-operation with the chamber of commerce Schalmereich suggested that the wants of the farmers be made known in order that they might help clarify the difficulties.

MAKES JUDGING TEAM

O. A. C., Nov. 14—Fred Knox of Gaston, sophomore in agriculture at the college, was a member of the dairy products judging team representing the college at the Pacific International Livestock show in Portland. The team won considerable honor.

EMPLOYEES HAVE DINNER

Cannery Workers Give Big Feed as Annual Affair

The ending of the Bartlett pea season was fittingly celebrated at the Ray-Maling plant by a big chicken dinner on November 7.

This is an annual affair, given through the co-operation of all the employees for the employees in the spirit of a bigger brotherhood. They feel justly proud of this annual affair when all on the payroll of the Ray-Maling company sit down at one table to celebrate the close of the season's work.

During the dinner the Hillsboro Rotary club marched into the dining-room and put on some of their stunts. This was followed by talks by B. E. Maling, Broder Corborley of Seattle; Banker Ed. Schulmerich, J. C. Coulter, L. C. Tupper, Mrs. W. J. Langton and Mrs. Fred Tesch.

Guests of the Ray-Maling employees were Manager and family, Mr. Corborley of Seattle, Mr. Schulmerich and the wives of the foremen of the various departments who served the dinner.

HILLSBORO GIRL HURT

O. A. C., Corvallis, Nov. 14—Anona Joos of Hillsboro, freshman in commerce at the Oregon Agricultural college, was injured Friday night when the car in which she was riding left the road and turned over. A dense fog was the cause of the accident. Miss Joos has a torn ligament in one leg. The doctors believe that she will soon be able to resume her studies as she is improving rapidly.

R. FRANK PETERS NEW OFFICER OF CHAMBER

Committee Room Ready for Use of All Organizations. Billiard Tournament Starts

R. Frank Peters of the law firm of Hare, McAlear & Peters was elected vice-president of the Hillsboro chamber of commerce, to fill the vacancy caused by the termination of membership of Frank Austin, by the board of directors Monday night.

The secretary was authorized by the board to provide magazines and reading matter along business lines for the reading rooms. All fraternal and other organizations will be granted free use of the committee room for meetings at any time and reservations may be made by application to the secretary.

No meeting was held last week because of the holding of Washington county day at the Pacific International Livestock show. More than 60 cars took part in the caravan which was met in the city by traffic officers and conducted to the show grounds. Special parking place was given the caravan and many courtesies extended to Washington county people by the officers of the exposition. The event gave Washington county considerable publicity and everybody is said to have enjoyed it.

The billiard tournament has been started with about 20 members entering the lists. Winners in the games so far are Calef, McPheters, Hyde, Kroeger, Luce and Mahon.

Ed L. Moore, secretary, attended the two days' session of the Oregon association of secretaries held at the Portland chamber of commerce last Friday and Saturday.

FIRE SIREN USHERS IN ARMISTICE DAY

Many Veterans of All Wars Attend

PETERS SPEAKER OF DAY

Program, Parade, Drills, Free Feed, Free Show, Football Game and Dance Features

The shriek of the fire siren, intermingled with dozens of other whistles and bells, reminding veterans of the days when "Heinie" was overhead in one of his death-dealing aeroplanes opened up the greatest Armistice Day celebration that Hillsboro has ever witnessed, last Monday.

Hundreds of veterans, their families and their friends poured into Hillsboro Monday in uniform and out of uniform to help celebrate the fifth anniversary of the ending of the world's greatest holocaust. Record crowds were in attendance at the program, at the games, at the show and at the dance at Shute Park auditorium in the evening.

Taps, the saddest of military music, were blown by Dr. L. W. Hyde, prominent Spanish-American war veteran, immediately following the blast of the dozens of whistles. This was followed by a period of silent homage to the boys who had "gone West."

The program was opened by Morris Weil, commander of Hillsboro Post American Legion, under whose auspices the celebration was held. Weil outlined the purpose of the day and welcomed the visitors. Musical numbers were given and the invocation by the post chaplain followed.

R. Frank Peters, the speaker of the day, was introduced by Dr. L. W. Hyde. The meaning of the day was stressed by Mr. Peters, who told of the need of the strictest Americanism being taught with the view of eradicating anarchism. He advocated the restriction of immigration to those who really make desirable citizens.

The Grand Army of the Republic was represented on the platform by J. L. Crow and Dr. L. W. Hyde represented the Spanish War veterans.

The parade which was formed immediately following Taps and wound around the streets of Hillsboro ended up in the courtyard just prior to the program. The colors in all their glory headed the parade. The Washington county band, in its first public appearance, is thought to have made the most creditable appearance of any band to be organized in this county, and furnished the martial airs for the marching veterans. A firing squad in uniform and fully equipped followed the band. Other organizations in line included the Hillsboro, Forest Grove and Banks posts of the American Legion, the Ladies' Auxiliary of Hillsboro Post, assisted by the Girl Reserves, who waited on the tables.

The drill by the Oregon Military institute was the event immediately preceding the football game in the afternoon, and the cadets under Captain Johnson performed their drills with the precision of veterans to the great enjoyment of the oldtimers.

Many veterans and their families attended the football game, and they expressed the opinion that the Hilli boys went through the McMinnville team like the Germans poured into the German defenses in the Battle of St. Mihiel.

A free show to the veterans and families holding live membership cards in the Legion was given by Mr. Phelps, at the Liberty.

A fitting climax to the day was the ball in the evening at the auditorium. More than 300 couples paid admission to the dance.

The committee in charge was headed by "Jude" Reiter, the city engineer.

The Royal Neighbors of America meet the first and third Fridays of each month and have arranged for something special at each meeting hereafter. Last week the members of the local M. W. A. Camp royally entertained the Royal Neighbors with a program, followed by dancing and a supper.

IN PISTOL SHOOT

The picture of R. H. Craddock, father of Mrs. R. Frank Peters, was in the Pathe News picture at the Liberty Theatre last week as a member of the Police Pistol team of Portland. The team won the championship of the United States back at Camp Perry, Ohio, recently. He is well known here, having been called in on a number of cases in the county as a gun expert. Although sick at the time he was second high point man in the shoot in which the Portland team came out 20 points ahead.

MILLAGE TAX VOTED

A 10-mill tax was voted by road district No. 34, which connects Columbia county and the rock road north of Forest Grove, at a meeting November 10 in the Seefeld school house. Sam Stowell, supervisor, was given a vote of confidence by re-election.
