

ROY FARMER KILLED IN AUTO SMASHUP

Albert Vandehey Struck by Train at Crossing

BROTHER SLIGHTLY HURT

Engineer Believes Machine Stalled. While Storekeeper Thinks Men Were Confused

Albert Vandehey, 25, of Roy, was killed and his brother, Peter J. Vandehey, 29, was slightly injured when the automobile they were driving was hit by the P. R. & N. Tillamook bound train at Roy, yesterday.

Struck by Steps

The men had stopped at the Moore store at Roy for supplies and were just leaving for home. The train was heard to whistle, but they thought it was coming from the west and were looking for the train from that direction. The locomotive hit the wheel of the machine and the two men were thrown out, Albert close to the track, where the steps of a car crushed his head and dragged him along for several yards, while Peter was thrown clear and sustained only a few injuries to the arm and head. Albert died within a few minutes after being carried into the store.

They had turned around at the store and in the opinion of Joe Moore, the Roy storekeeper, they must have been confused as to directions. The machine was on the track when the train came to the eastward some distance away, according to the engineer, who was slowing down for the station. He believes that the engine stalled and that they had no opportunity to get out of the way.

Leaves Wife and Child

He leaves his wife, formerly Miss Elizabeth Hermans of McMinnville and a small child. He farmed the Chalmers place near Roy. The dead man was a son of Antoine Vandehey, prominent pioneer.

The funeral will be held at the St. Francis Catholic church at Roy, tomorrow, and Father F. J. Springer will officiate.

Ordinances providing for the building of cement sidewalks on the property owned by W. V. Wiley on Fifth and Oak, and that of Reed Ingles on Second street were passed at the Tuesday night meeting of the city fathers.

The question as to whether the sidewalk should be built within a foot of the property line on the Wiley property, because the other sidewalks were out in the street, was brought up, and it was decided to follow the property line and require the others to move back. If no change is made right away it is thought that the grade school children will have an excellent opportunity to play checkers on the zigzag sidewalks. The sidewalk belonging to E. L. Perkins is said to be out in the street six feet, and he is said to have been refused permission to build it there.

An ordinance providing for holding the special election on the proposed new city charter on December was passed and the document will be printed in this week's issue of the Independent.

What is to be done with the dogs taken up by the city? This is a question that was debated back and forth a considerable time following presentation of a petition signed by persons, either working or living near the vicinity of the city pound, to have it removed. Not being able to arrive at any decision the buck was passed to the sanitary committee to provide a suitable reception room for the unwanted canines.

Putnam off Scholls that he was going to turn at Third and Lincoln is thought to have been responsible for the collision in which Orville Johnson, high school football star, was thrown from his motorcycle, breaking his leg. MEN CHARGED WITH LARCENY ARRESTED

Discovered by Auto Theft Department in Portland

FEDERAL CHARGE LIKELY

Rudolph Graif and Thomas Pratt Alleged to Have Stolen Automobile Parts

Rudolph Graif, aged 18, and Thomas Pratt, 23, of Hillsboro, were arrested Monday night on a charge of larceny and placed in the county jail. Pratt is also charged with unlawful cohabitation with Nita Bishop, with whom he is said to have lived for nearly two years in Orenco and other places. Federal charges may be placed against the latter two, because they are said to have lived in Idaho, in violation of the Mann white slave act.

The auto thefts' department of the Portland police department discovered Graif in that city when he tried to sell some automobile accessories. He was arrested and confessed the Portland police calling Sheriff Alexander, who went to the Graif home near the ball park and arrested Pratt.

Seven motometers, three spotlights, a tire and an overcoat belonging to Dr. W. D. Wood were found in their possession, according to the officers. Many of these articles were found by Sheriff Alexander when he returned to the Graif home after placing Pratt in jail. Mrs. Graif was discovered in a small outbuilding when he returned and it is thought she was trying to secrete some of the stolen articles, for the sheriff, after some trouble, found three motometers and an overcoat.

Taken From Car

The overcoat was taken out of Dr. Wood's car Sunday night. It is said, and the other articles were taken from cars near the Masonic hall here and the dance hall Saturday night. Some times for Ford cars were also taken from a garage building at Sylvan by these men, it is alleged. Pratt had been staying at the Graif home here.

HILLSBORO LOSES AFTER HARD FIGHT

Forest Grove Gets Break and Wins Annual Game

HILHI OUTPLAYS GROVE

Outweighed Several Pounds to Man, Locals Hold Rivals to Two First Downs

After putting up the most glorious fight ever witnessed on a high school field between two inter-scholastic eleven and after clearly outplaying their opponents, the heavy Forest Grove high football team, Hillsboro dropped the annual Thanksgiving day classic to their ancient rivals, 7 to 0.

The big break of the game came near the end of the last quarter, when Hillsboro's safety fumbled the wet ball, which slipped through his hands on a punt and Forest Grove recovered on the locals 40-yard line. Two line bucks failed to produce any results in yardage gained for the Grove and on the third down they pulled a lucky pass that netted them a touchdown. The pass was right over the head of Hilhi's defensive halfback, who was so badly crippled in one leg that he could not intercept the pass, or the score would undoubtedly have looked different. The touchdown was followed by a goal kick making the score 7 to 0.

Makes Long Run

With only nine minutes to even up the score the local boys entered into the game with a fight that nearly swept their heavier opponents off their feet. A fake pass from Frost to H. Glascoe, combined with a sensational run by Glascoe after he had caught the ball, netted 50 yards. Following this, Hillsboro fumbled and lost the chance to score and thus staved off the bitter taste of defeat at the hands of Forest Grove, who before the game, in various write-ups said that Hilhi's excellent record was due to picking easy marks.

Forest Grove recovered the ball and punted out of danger. At this stage of the game Hillsboro's plucky little quarterback and captain, Laurel Frost, who entered the game with an injured leg, which had been growing worse at every scrimmage, was taken from the game and a few minutes later the timer's gun ended Hilhi's chance to make it two straight victories from the Grove.

Team Praised

It would be no disgrace to be defeated by a team like Forest Grove under any circumstances, but Coach Goodman and his men deserve unlimited praise for the wonderful game they put up. Although heavily outweighed, the Hillsboro line held like a stone wall and allowed the Forest Grove team to get through for only two first downs during the entire game, while Hillsboro was able to get through the husky line of the boys from the university town seven times for first downs. Roland Deck, stationed opposite Forest Grove's 240-pound guard, showed that size doesn't count by playing circles around the bigger man.

Hilhi F. G.

First downs, scrimmage 7 2
First downs from passes 1 1
Total yardage 120 55

This was the last game of the season for the Hilhi eleven and during the season they have won nine games and lost but the one, an enviable record for any high school team.

GRANGE TO ELECT

Election of officers will be held at the regular meeting of the Hillsboro Grange Saturday. The Grange has been doing some very good work for the benefit of the farmers this year and it is expected that a large turnout will be on hand to secure the best of leaders.

LOCAL BOYS STAR

Ernest and Edgar (Ikey) Ranow, graduates of the Hillsboro high school, starred in the football game Saturday in which Pacific University defeated the University of Montana. They are said to have played stellar ball for the Grove.
