The Logical Choice of the Careful Buyer

The Ford car delivers more useful, care-free, economical service per dollar invested than any other car. Its sturdy, rigid construction is striking evidence of enduring materials. Every minute operation is scientifically tested and accurately checked.

Control of natural resources and complete manufacture in large volume have made possible value that is the one standard by which every motor car must necessarily be judged.

The Ford car is the logical and necessary choice of the buyer who wants to get the utmost from every motoring dollar.
