

CALVIN COOLIDGE IS OUR PRESIDENT

Country Backs the Republican Ticket

RADIO ADDS TO THE INTEREST

Oleomargarine Measure Apparently Defeated, According to Returns

Calvin Coolidge is president of the United States by a large majority in nearly every part of the nation, with the exception of the solid south, which turned parish after parish—Coolidge 0 and La Follette 0.

Majority Large
The Coolidge and Dawes ticket carried Oregon by more than 80,000, according to the unofficial figures submitted. In Washington county LaFollette gave Coolidge a run for his money and Davis came up third and Johns carried off a few scattering votes.

Charles L. McNary has carried the state over Milton Miller, democrat, by about 75,000; Crumpacker, Hawley and Sinnott will be Oregon's representatives in Congress.

Kozer Re-elected

Sam Kozer is to succeed himself as secretary of state and Thomas B. Kay defeated Jefferson Myers, democrat, for state treasurer. H. H. Belt is the justice of the supreme court from this district and O. P. Coshov will more than likely be on the supreme bench.

J. D. Mickle was elected dairy and food commissioner and the public service commissioners are Edward Ostrander and H. H. Corey.

The women's compensation and the anti-oleomargarine bills appear to have been defeated. The repeal of the income tax measure passed by a large majority in Multnomah county, but it is believed that the other parts of the state will bring it down to a place where it will be saved.

Interest in the election in all parts of the country was running high and radio helped to increase this interest. The chamber of commerce rooms were filled with those interested from the time when the returns were first broadcasted at 4:30 until about midnight. The local returns were also received there for the press.

Sherwood Resident Killed By Machine

Glare of Lights in Rain Said to Have Caused Death of Orie Johnson

Orie Johnson, 78, of Sherwood, was killed Monday evening in Sherwood when he was struck by an automobile driven by M. A. Kilpatrick. The accident is thought to have been caused by the glare of the car lights in the rain. Mr. Johnson was born in New England.

Kilpatrick was coming down the hill in Sherwood with his car in gear and was said to have been going only at a speed of from 15 to 18 miles and hour. He did not see Mr. Johnson until he was about 12 feet away and he says that Mr. Johnson was looking in the same direction the car was going. He turned out trying to avoid striking him, but the victim turned in the same direction and was struck by the fender, throwing him down. The inquest was heard in Sherwood today by Coroner George Limber.

Attempt to Pass Check Foiled by Ireland

Man Wanted in Portland and Los Angeles Fails to Pass Checks Here

The attempt of Thomas H. Smith alias Howard Rehe of Portland, wanted in Portland and Los Angeles, to cash a \$10 check on Lester Ireland & Co. Saturday morning was frustrated by Lester Ireland, who had heard of the activities of Smith, a former hardware salesman. Smith was taken into the Multnomah county authorities by local officials Saturday.

He was wanted for forgery and the sheriff of Multnomah county holds commitment papers for him. Smith was formerly a salesman with the Park-Davis company and had been in the Ireland store before. He went to Ireland and asked him if any plumbing supplies were wanted. At the same time he broached the idea of cashing a check. Ireland was suspicious and said that he would go to the bank to get the money as he did not have the money on hand. Following an investigation he was arrested.

C. Klinge of Gaston was a county seat visitor Wednesday.

Lunch Served 60 At Grammar School

Undernourished Children Benefitted From Warm Food At Noon

"Soup! Soup!" This was the exclamation made by one little grammar school boy as he came into the lunch room at the grade school Tuesday noon. M. P. Cady, chairman of the school board, and an Argus representative were there to get lunch and see what was being accomplished.

An average of 60 pupils are served every noon by Mrs. Frank Kerns. Soup is served for 5 cents and so is cocoa. It is hoped to give some crackers along with the soup in the near future. This service pays for itself and is no expense to the district. The children furnish their own bowls. The only expense to the district was \$20 which was used for the first essentials.

Undernourished children without means are taken care of and if for no other reason than to help them the work is worth while. The warm soup and cocoa will have their rewards in the classroom when students do better work. The Women's Service club is furnishing milk and other articles of food. Individuals are also helping.

County Products Take Many Ribbons

State Fair Exhibit at International Warded Blue Ribbon by Judges

County farm products are carrying off many ribbons at the Pacific International Livestock show in Portland this week. Hundreds from the county are visiting the fair every day and one hears praises of this great show on every side.

List of farm products prize winners are:

Certified seed potatoes—Otto Brose, first prize, and H. P. Strickler, Sherwood, third.
Barley—Blue, Earl Donelson, Hillsboro, second; Hannachen, Robert Warrens, Forest Grove, fourth.
Corn—Flint, P. F. Lisco, Hillsboro, first; Dwight Sellers, Banks, second.

Popcorn—George Harrow, Hillsboro, first.
Hay—Red clover, M. Ruecker, Hillsboro, first; Timothy, J. C. Becken, Hillsboro, second; Schmidt Bros., Oreno, third; oats and vetch, C. B. Buchanan, Hillsboro, first; red clover, Oregon Nursery, first.

Alsike clover—E. A. Rueter, Forest Grove, first.
White Minorcas, single comb—William Tupper, Hillsboro, all awards.

The county exhibit was awarded a blue ribbon by the judge and is attracting much attention, according to Frank C. Fluke and George Harrow, who are caring for the exhibit during the show.

Chamber Program Is Taking Real Form

Plans For Future Call For Some Very Constructive Work In Community

A working program for the future for the chamber of commerce will probably result from the meeting of the chairmen of all chamber committees in the chamber rooms Tuesday night.

The plan calls for a special order of business at chamber meetings for different committees, and also for complete report at the annual meeting on what they have done and what they expect to do. This is expected to create more interest on the part of the committees and should make next year one of accomplishment for the Hillsboro chamber.

One of the first committees to have a special order of business is the highways and roads committee, of which M. P. Cady is chairman. From this meeting it is hoped to establish a definite road program that will improve the main arteries leading into town, as well as such routes as the Tillamook shortcut and others. Retail trade, schools, community relations, civic improvement and municipal affairs are a few of the committees that will have a special order of business in the near future and before the annual meeting.

The Women's Service club, as well as other organizations, were given the use of the chamber of commerce committee room for any meetings.

Attention was called to Red Cross enrollment week, beginning November 11, by Morris Weil, who asked the support of all.

The cemetery committee will meet at the chamber of commerce Friday evening, at 7:30.

WILL CELEBRATE ARMISTICE DAY

Program Will Be Held In Liberty Theater

TO HAVE FOOTBALL GAME

Ex-Service Men From All Parts of County Invited to Participate

Armistice Day will be celebrated in Hillsboro Tuesday with everything that goes to make a real celebration, that is with everything that Mr. Volstead has not taken away, since the first Armistice Day in 1918.

Many Events Planned
A parade, program, football, movies and a dance have been arranged by the committee in charge which consists of Verne McKinney, J. J. Merrill, William Clark and Jerry Heston. The parade, which starts at 11 sharp, is under the direction of the Rotary club.

Ex-service men of all wars are urged to turn out for the parade and other exercises. World war veterans will not be required to appear in uniform but instead may wear the official American Legion cap or an overseas cap. Caps are here and those who ordered may get them at Well's.

The services will follow immediately after the parade and will be held in the Liberty theater, rain or shine, through the courtesy of Manager Phelps. The chamber of commerce orchestra will furnish the music and C. G. Reiter will act as chairman. One minute of silence in respect to the soldier dead will be observed at 12 o'clock sharp. The speaker of the day will be Rev. Lowell A. Young.

All "Buddies" Invited
"Buddies" from every part of the county are invited to help celebrate Armistice in Hillsboro and it is expected that there will be delegations here from Banks, Forest Grove, Beaverton, Cornelius, Gaston, Oreno, North Plains, Sherwood and other county centers to help celebrate the signing of the armistice, which meant so much to them. It is hoped they will be here to participate in the parade.

The Ladies' Auxiliary is planning to serve coffee, sandwiches and pie from the new Legion rooms in the Donelson building on Third street, just back of Ireland's store. A small fee will be charged to help the Auxiliary carry out their splendid work. This will give service men an opportunity to view the new club rooms.

The Liberty theater will run a matinee in the afternoon and it will start at 2 o'clock. The picture is one that is especially appropriate.

(Continued on page 10)

Cannery to End Season

Two Carloads of Pack Going Out of Hillsboro Every Day

Work at the Ray-Maling cannery will continue until just before Thanksgiving, according to Bert Maling, manager. The plant is working on apples now and will be busy with them until the last. The pack of squash was just completed.

This year's pack is about the same as last year. The greatest number of persons employed at any one time this year was 600. The entire pack, with the exception of about 3 per cent, is sold. Two carloads a day are being shipped out of Hillsboro to various parts of the world every day.

M. P. CADY ELECTED HILLSBORO MAYOR

C. E. Wells Fills Vacancy in the Second Ward

ORANGE PHELPS RE-ELECTED

Only Contest For Office Is That For Vacancy Caused By Trullinger Resigning

M. P. Cady, local automobile dealer, was elected mayor of Hillsboro at the general election Tuesday, with no opposition. A few were written in on the ballot.

Campaign Brief
After a brief campaign carried on by friends of Charles E. Wells, he was elected over R. H. Greer as councilman in ward number two. Both names had to be written in, as neither had consented to run until the last minute. Wells fills the vacancy caused by the resignation of J. B. Trullinger several months ago.

O. Phelps was reelected to the council in the third ward with no opposition, and J. M. Goar will fill the office of councilman in the second ward with Wells. J. H. Garrett will represent the voters of North Hillsboro or the first ward on the city council.

Mr. Cady, the new mayor, has been actively engaged in Hillsboro civic affairs for many years. He is chairman of the school board and is an officer of the chamber of commerce.

Rebekah Play Good

"The Black Feather" by local talent and under the auspices of the Rebekah lodge, played to a capacity house at the Liberty theater last night. The manner in which it was put on demonstrated excellent direction. Local talent in this play displayed ability that is rarely witnessed in a home town production, everyone taking their part with marked credit. The seat sale is one of the largest ever had.

TILLAMOOK GIVES HILLSBORO SCARE

Hilhi Takes Her Fifth Straight Victory

GOAL LINE IS NOT CROSSED

Oregon City Will Play Goodman's Men Here on November 21

Although Hilhi was given the biggest scare of the season yesterday by the Tillamook cheesemakers they were able to put across three touchdowns, and the final score was 18 to 0, Friday afternoon on the local high school field.

Tillamook threatened in the first quarter, when they got the ball to Hillsboro's 1 yard line, with two downs to make it in. It all went for naught, however, when a Tillamook back let the wet ball go through his hands. The cheesemakers kept Goodman's men busy throughout the game and gave them a real fight.

The first quarter ended 0 to 0, but in the second quarter the Hilhi scoring machine started to function with the result that one touchdown was put across. "Dutch" Goodin, the heavy fullback, lunged through the Tillamook team for about 15 yards and Frost carried it over the other two yards. Ingles failed to convert.

Long Run Made

The next touchdown came in the third quarter on a spectacular 60-yard run by "Shorty" Long, the speedy little half, who has been the mainspring in upsetting the championship hopes of several teams this year. The beautiful interference of Goodman's men upset the cheesemakers on this play and by the time Long crossed the goal line there wasn't one Tillamook man on his feet. Ingles failed to convert and the score stood 12 to 0.

The last counter came on a pass from Frost to Ingles. Ingles again failed to convert and the final score stood 18 to 0.

This victory was the fifth straight for Hillsboro. They have piled up 130 points while their opponents haven't been able to make a dent in the scoring column.

Frost and Staggart Star

Frost showed up in his usual star game in the backfield and Staggart repeated his stellar game on the line. Jack Glascoe and Hoag are probably out for the season. The loss of Glascoe will be felt keenly by the team for he had much to do with keeping them in line to win the Albany game. The team was in poor condition for the Tillamook game.

A big delegation of rooters came

Big Parade Planned For Armistice Day

Rotary Club Committee Lining Up Many Organizations For Patriotic Affair

The Armistice Day parade in Hillsboro this year promises to be the biggest one ever held, according to plans of the Rotary club committee in charge. It will start promptly at 11 o'clock from First and Main streets. The committee in charge is composed of W. W. Boscow, J. L. Anderson and M. B. Signs.

The following committee will organize the high school section: Miss Tennessee Weathered, Girl Reserves; Mr. Rice, freshmen; Miss Fusselman, sophomores; Miss Linklater, juniors; Miss Dunham, seniors.

The parade is under the supervision of the Rotary club and they have made an appeal to the various organizations to be represented. The schools will take part as fully as possible, teachers in the grade schools will organize their own classes and accompany them and will try to see that as many as possible carry flags. They will line up in order of grades, primary leading, on the north side of the courthouse square.

The line of march is from the courthouse square on First street, east on Main to Second, south on Second to Washington, east on Washington to Third, north on Third to Main, west on Main to Second, north on Second to Lincoln and disband.

The lineup as it will start promptly at 11 o'clock Tuesday is as follows: Colors, music, Civil war veterans, Spanish war veterans, American Legion, Women's Relief Corps, auxiliaries, fraternal and social organizations, Girls Reserves, Boy Scouts and school children.

Many Orders Call For Salvage Powder

Great Saving Effectuated County Farmers Through Purchase of War Powder

The county agent's office is receiving many inquiries as to when the next carload of powder will be ordered. Orders are being received at the rate of about 1000 pounds per day. Should orders keep coming in at this rate, the next carload will be ordered about the 15th of November.

During the past year over 300,000 pounds of war salvage powder has been ordered by Washington county farmers at an estimated saving of \$26,341.32.

Cheney Benefiel is in the Dr. Smith hospital suffering from an attack of paralysis. Mrs. Benefiel is here also.

HEAVY VOTE IS CAST IN WASHINGTON CO.

"Jap" Reeves Wins Out Over George Alexander

MANY OTHER RACES ARE CLOSE

Three Republicans To Represent County in Next House of Representatives

Hillsboro and Washington county polled the heaviest vote in its history at the general election Tuesday, in which the threatened La Follette inroads came to naught. A good 75 per cent of the voters turned out to cast their ballots. Many voters were sworn in at the last minute.

The race which was probably of more interest to the voters of Washington county than any other was that in which J. E. (Jap) Reeves defeated George Alexander for sheriff by a wide majority. Reeves, who is declared to be the best sheriff the county ever had, made no effort to secure the office in a campaign. Further, there probably isn't a better liked man in the county than Sheriff Alexander, but it is conceded by everyone that had he made a change in his force there would have been no question of his election.

The electorate returned William G. Hare to the senate and all Republican candidates, Graham, Hail and Hesse, were sent to the house of representatives. E. B. Tongue is reelected district attorney.

Edward J. Ward of Gaston defeated Robert L. Stevenson, democrat, for the office of county judge by a big majority. Edward C. Luce won out over Dean Sellers, Democrat, for county clerk, but he had reason to know that Sellers was in the race.

Mrs. Bryant Elected

Mrs. Emma Bryant for school superintendent, won out over Otto B. Kraus, Independent. Mrs. Helen R. McDaniel, Independent, made James H. Davis, Republican, realize that it was a race before she was defeated.

George J. Limber, Republican, defeated Dr. G. F. Via, Democrat, for coroner by more than two to one. W. F. Boley for assessor, E. B. Sappington for treasurer, and Earl Hobbs for surveyor, won out without opposition.

No complete unofficial count has been made by the clerk's office on the measures on the ballot, but the vote against the repeal of the income tax was large as was to be expected. The women's compensation and naturopath bills were snuffed under.

The result of the complete unofficial count in Washington county:

President
Coolidge 4205
Davis 2086
LaFollette 2779

Senate
Coulter, Progressive 996
McNary, Republican 5342
Miller, Democrat 2236
Robinson, Socialist-Labor 182

NOVEMBER 11

"Till the war drum throbbed no more,
and the battle flags were furled"
