What a time!

Two blow-outs and a stuck intake valve.

Got into Portland way too late to make the matinee.

And Annie—the wife—was disgusted as anything about missing that 11 o'clock ginger-ham sale at

RED ELECTRICS next time for us. Gets you there on schedule and early. And they do all the worryin' about break-downs.

Coffee Club Gives Outline of Work

The next meeting of the Hillsboro Coffee Club will be held in the commerce rooms, Friday at 2 p. m., November 14. The Fine Arts department will entertain with a program from their own department.

The Year Book will soon be ready and indications are for a very interesting year's work.

All women are eligible to the Coffee Club, and the aims and objects of the club are the betterment of conditions in general in the community.

This year the departmental work should prove attractive and interesting as there is some line of work available which should have some appeal for each individual.

The American Home department has good membership, and the organization work has been perfected. Mrs. King was elected chairman and Mrs. Fred Engledinger is secretary-treasurer. The Fine Arts department, with Mrs. Stannard as temporary chairman, has been making preparations for the first program to be given at the next meeting.

Other departments in the progress of organization are those of Public Welfare and Applied Education.

YOU KNOW IN ADVANCE

Dodge Brothers Dealers realize that a car's good performance is no longer the sole basis of an owner's good will.

It is equally essential that dealers give good service.

Because of this, they employ the Flat Rate Service System, which insures accurate work at a fair, predetermined price.

When you leave your car with a Dodge Brothers Dealer for service you know just what work will be done, when it will be finished and what it will cost. There are no unpleasant surprises in your bill.

You know in advance.

Better Service

OUR HARDWARE DEPARTMENT has undergone changes that make possible better display.

A BALCONY is being built in the Furniture Department to relieve the over-crowded condition.

THESE IMPROVEMENTS are being made in the interest of better and quicker service.

SADNESS OR GLADNESS?

Which marks your face—and why? Ill-health usually shows a frown,—good health—a smile! That is natural, as it is to see a sufferer from nervous troubles change his expression from sorrow to joy, after a few chiropractic adjustments. Why? Because a chiropractor, by his spine manipulation, rapidly restores health.
