CANNERY VISITED BY BUSINESS MEN

Big Plant Working on Pears
This Week
PACK IS TWICE AS GREAT
More Than 4,000,000 Labels
Shipped Out With Own
Labels on Can

Fifty members of the chamber of commerce visited the Ray-Maling cannery following the forum luncheon Monday noon and what they saw was an eye opener to some of the business men of Hillsboro who had never been through the plant before. It is a much bigger proposition than most of them realized. R. W. Well was luncheon chairman.

The several hundred workers and the big complicated machines were busy on pears when the business men made their tour of inspection. They have been working on pears since early in August but will finish up sometime this week. Apples will occupy their attention from now on until about the first of the year when the plant will close down.

Nearly All Sold

The pack is more than twice as great this year as it was last. This means 50 times the size of their first pack in 1920. Practically all this year's pack has been sold.

They are shipping out more than four and a half million cans under their own label, showing that they have been manufactured in Hillsboro. The goods are distributed not only in the United States but in the whole world.

The cannery employes from 450 to 650 over a period of eight months. Employees come from Forest Grove, McMinnville, Cornelius, Beaverton, Portland and other places. Twenty-six salaried employes are on the job throughout the year. The payroll is more than \$250,000 a year.

Seeks Office

I. L. Patterson of Eola formally announces candidacy for republican nomination for governor of Oregon.

New District Is Added to Union

Addition of Leisville Brings Valuation to Approximately \$5,000,000

Petitions for a union high school district have been circulated in Leisville and signed by 15 persons. This is a district that has never been included in any previous arrangements and brings the number in the proposed union high district to 17.

This makes the valuation of the proposed district about \$5,000,000. Petitions for the various districts have been prepared and are being circulated this week.

Mr. and Mrs. William Bowman and son, Earle, returned the first of the week from Hood River, where they have been for the past month during the apple harvest. They visited Mrs. Bowman's sister, Mrs. J. E. Boyce, and family while there.

GOVERNORSHIP IS PATTERSON'S AIM

Formal Announcement of Intention Is Made
YEARS SPENT IN POLITICS
Believes in Board of Control for Penitentiary to Effect an Economy

I. L. Patterson of Eola Farm in Polk county announced his candidacy for governor today. In the announcement he calls attention to his business experience in his earlier years and to his experience in conducting one of the most diversified farms in the Willamette Valley for many years. He has also served as a member of the state senate through four regular and two special sessions of the legislature.

"I am going to make a vigorous, clean and constructive campaign for the republican nomination on issues, saying nothing and doing nothing against any other candidate that could be used against him in event of his nomination; a campaign that will tend, as far as possible, to unite the republican party so that the nominee may have the entire party support, thus insuring his election," declares Mr. Patterson in his formal announcement.

Decrease Government Cost

He pledges reduction in taxes through reduction in cost of government. Mr. Patterson says that he will recommend an amendment to the state budget law, and by its terms the governor shall prepare the general budget for state expenditures for submission.

"Preparation of the budget is now in the hands of the state board of control," explains Mr. Patterson. "The state board of control is also one of our most important agencies for the expenditure of public funds. I believe the budget making power of the state or any subdivision of the state should be as far removed as possible from the spending power or body. If given the power to make the budget, the governor will be solely responsible for state expenses and could not evade the responsibility."

Take Pen Out of Politics

In his announcement Mr. Patterson declares in favor of placing the state penitentiary under the board of control for the sake of efficiency and economy and to remove it from politics. He also declares in favor of abolishing the parole board and giving this work to the board of control.

"I believe in the impartial enforcement of all laws, and, if elected, will work to that end, and will appoint no man to enforce a law who is not known to observe to that law," declares the announcement.

Mr. Patterson will issue his platform later.

He has been active in state politics for years and only recently resigned as chairman of the state republican committee.

The jury returned a verdict in favor of the plaintiff in the case of Paul Wessinger vs. N. I. Neilson in circuit court last Thursday. The case held over several days and dealt with a boundary dispute.

HILHI OVERWHELMS SILVERTON ELEVEN

Hillsboro's Long Passes Bring Score up to 33 to 0
PASSES ARE INTERCEPTED
Resemblance of Last Year's Championship Eleven Is Seen in New Team

The highly touted Silverton high school team went down to defeat Friday afternoon on the high school field before Coach "Goody" Goodman's Hilhi eleven by the overwhelming score of 33 to 0. There was little question as to the final outcome from the minute the game started.

Hilhi's passing attack carried them to victory as usual, all touchdowns coming from passes. The line plunging of the first string backfield composed of Johnson, Hoag, Schulermerich and Rushlow, was nothing to be sneezed at. Thwaite made several good gains on long end runs from punt formation.

Hoag Passes

The first touchdown came on pass from Hoag to Kent over the goal line. Hoag kicked goal. The touchdown came in the first few minutes of the second quarter. The half ended 7 to 0.

The second touchdown was put across at the beginning of the second half. It was on another long pass, Hoag to Hande, Hoag failed on the kick. Hilhi 13, Silverton 0.

Hoag and Hande repeated their little act within a few minutes and Hoag kicked it across. It made the total for Hilhi 20. Johnson intercepted a pass soon after this and ran to Silverton's 20 yard line. This threat failed to materialize because of a penalty, however.

Fool Silverton

In the last quarter, a pass by Hoag from a place kick formation to Forney, who was waiting over the line resulted in the fourth touchdown. Hoag again kicked.

Goodman started running substitutes in about this time with but a few minutes to go. Johnson intercepted one of the many passes attempted by Silverton and ran 35 yards to a touchdown just as time was called. Johnson failed to kick goal. Score: Hilhi 33, Silverton 0.

The local boys outclassed Silverton in ever department of the game. Hoag showed great advantage in his passing and receiving punts. Captain Harry Kent played his usual star game and broke up many a Silverton play.

To see the team in action against Jefferson a few weeks ago and against Silverton Friday you would not have recognized it for the same team. Good coaching has brought out all the wrinkles and inexperienced players are becoming more confident. It looks somewhat like last year's team in the game Friday.

The Hilhi eleven will play Newberg at Newberg tomorrow afternoon at 3:30 o'clock.

County C. E. Meet Is Full of Interest

Fine Program of Good Speakers Makes Event One of Best Ever Held

Washington County Christian Endeavor union held its fourteenth annual convention at the Hillsboro Christian church on last Friday, Saturday and Sunday. "Fidelity to Christ and the Church," was the theme of the convention and different phases of personal fidelity were brought out in the addresses which were given by some of the ministers in the county.

On Friday evening, among other addresses, was one on "Fidelity in Missions," by Mrs. George Edwards of Hillsboro, who has been a missionary in India. She told interesting stories of life there and compared the different religions of the world. A pageant on "The Fidelity of Stephen," was given by the Hillsboro intermediate society. A social session was followed by the closing watch led by Dallas Rice.

On Saturday the day was filled with conferences and addresses. Six of the state Endeavor officers were present at either all or part of the convention and many good plans were given in the conferences led by these officers and others who were in charge. The state officers present were: Dallas Rice, field secretary; Judge Jacob Kanzler, the president; Dulcinea Brown, junior; June Walker, alumni; Ralph Tarbell, prayer meeting; Viola Ogden, secretary.

The program for Sunday was interesting and well attended. State President Kanzler installed the officers on Sunday afternoon and gave an address in the evening. Sunday afternoon at the session 26 registered for the coming state convention at Albany and Roland Humphreys of Hillsboro was appointed convention booster for this county.

The following officers were elected: President, Ben Leu; first vice president, Esther Head; second vice president, Vernon Turner; third vice president, Lois Tuttle; secretary, Katherine Nicholson; treasurer, Wright Cook; superintendents: Alumni, Norman Young; Bul, C. E. W. Helen Gunton; educational, Mildred James; junior, Carol Handley; I. C. E., Vernon Turner; Look-out and Ex., Esther Head; Miss. and L. W. R., Lois Tuttle; prayer meeting, Deborah Leu; Q. H. and T. L., Opal Martin; social, June Walker; pastor advisors, Len B. Fishback and H. Dickman; executive, Martha James.

Will Celebrate 50th Anniversary

The Catholic church at Verboort will celebrate the 50th anniversary of its organization at that place with an all-day session. The program for the day will be very interesting and a chicken dinner will be served at noon.

TUNNEL ELECTION WINS TWO TO ONE

Three Directors Erickson, Pattullo and Frazier
MAY ATTACK LEGALITY
Officials May Now Have Survey and Estimates of the Costs Made

The question of the formation of Oregon Tunnel district No. 1 carried by a vote of 1878 for and 973 against or a vote of nearly two to one. The directors elected were Otto Erickson of Beaverton, D. A. Pattullo and Charles R. Frazier of Portland.

Big Majority at Beaverton

The vote at Beaverton was 920 for and 254 against. The total number of ballots cast was 1286, nearly 100 per hour, according to C. E. Hedge of Beaverton who brought the returns to the Argus yesterday morning. The vote on the directors in precinct No. 1 at Beaverton was: Erickson, 837; Frazier, 694; D. A. Pattullo, 660, and Swenson, 600.

The result in precinct No. 2 voting at Fairvale schoolhouse was 346 yes, and 46 no. In the two Portland precincts No. 3 returned a majority in opposition, 114 yes, and 148 no. The result in No. 4 was 498 yes, and 325 no. A three-fifths vote in favor was necessary for it to carry. A total of 2870 votes were cast.

Under the regulations governing the creation of the Oregon Tunnel district No. 1 only property owners whose holdings equaled 5000 square feet or more were entitled to vote. This was believed to be discriminatory because of the difference in valuation.

Question Legality

Early indications are that opponents of the measure will attack the establishment of the district on legal grounds.

This election means that the directors have the right to employ engineers to make a survey and an estimate on the cost of the proposed tunnel. This estimate with a proposal for a bond issue to cover the cost is then submitted to the voters at a second election.

Organization of the district board, by a freak of the law, cannot be effected until February 1, according to the latest information. There is nothing to do after the votes are canvassed here Monday but to wait until the board can organize.
