

HILLSBORO TAKES TWO GAMES FRIDAY

Newberg Is Downed in Hard Fought Contest

SECOND TEAM IS WINNER

Local Eleven Believed to Have Good Chance With Tillamook Tomorrow

Hilli and Coach Byron M. Goodman added to their football laurels Friday afternoon when the first and second elevens chalked up victories over two large high schools. The first eleven battled their way to a victory over Newberg high in the Yamhill county town 7 to 6. A large delegation of students and business men went over to the game. The second team won out over Coach Mike Metzler's Beaverton eleven at Beaverton 7 to 0.

Schulmerich Stars

Hillsboro gave Newberg a scare in the first quarter, when Leren Schulmerich and Jack Rushlow, halfbacks, on off tackle bucks shoved the ball down within striking distance. A beautiful pass from Hoag to Hande on the 10 yard line with a clear field ahead was the chance. The treacherous ball wouldn't stay put, however, and bounced out of his hands.

Showing unusual power, Schulmerich bucked and twisted five and ten yards at a clip on off tackle bucks to Newberg's 20 yard line near the end of the second quarter. A pass from Hoag to Hande did the trick. Chuck Hoag kicked goal. Hilli 7, Newberg 0.

Newberg received the kickoff and on a criss-cross sucked the right end in and ran the length of the field for a touchdown just before the half ended. They failed to kick goal. Hilli 7, Newberg 6.

The ball was played mostly in the center of the field during the second half. Hillsboro didn't open up with passes but played safe, straight football, while Newberg resorted to every trick they knew.

Forney Whirlwind

Forney played a whirlwind of a game at center and Kelly next to him at guard played one of his best games. Kent as usual proved a stumbling block to anything attempted by the opposing team. Reese playing his first game at end showed to good advantage and busted up a lot of Newberg's plays. Johnson at full put up a good defensive game and blocked a good many passes. The kicking and passing of Hoag were very good.

Coach Goodman appears satisfied with the brand of ball put up by the team. In a few short weeks Goodman and his assistants, Rannow and Humphreys, have rounded out a good looking football machine from a bunch of green material. Kent was the only regular of last year's championship team in a suit this year.

Goodman believes that the team will have a fair chance at Tillamook tomorrow. Newberg tied Tillamook at the coast city two weeks ago 9 to 9. The Newberg defeat Friday was the first they had received this year. They had previously tied with Lincoln high of Portland and beat Woodburn.

The Hillsboro lineup: Reese and Schoeler, ends; Kent and Hande, tackles; Bagley and Kelly, guards; Forney, center; Hoag, quarter; Johnson, fullback, and Schulmerich and Rushlow, halfbacks. Substitutions: Logan for Forney, Tatman for Logan; Thwaite for Rushlow and McCourt for Thwaite.

Local Boys Stars for O. A. C. Team

Wes Schulmerich, Though Injured, Scores All Aggie Points Saturday

Wes Schulmerich, son of Mr. and Mrs. William Schulmerich of Hillsboro, starred in the O. A. C. backfield in the game against Stanford University Saturday at Palo Alto, Calif., in which the Aggies lost 26 to 10, after giving Stanford a real scare for three quarters. The intense heat wore the Oregon players down until in the fourth quarter Stanford was able to put across two touchdowns.

Wes scored every point for the O. A. C. team. He put across the first three points in the first quarter with a beautiful place kick. Stanford came back in the second quarter. Schulmerich, who was carried from the field in the second half on account of injuries, returned to the game early in the second half and carried the ball across for an O. A. C. touchdown. He then kicked goal. He had to be carried off again in the last quarter.

Reports from Corvallis say that Wes will be back in shape for the homecoming game against Montana Saturday. He is still hobbling around as the result of the injuries received in the Stanford tussle.

Many of the alumni from here expect to attend the game Saturday.

WITHDRAW TOLL ROAD APPLICATION

Promoters, Beals and Chandler Step Out

STATE ORDERS A SURVEY

Those Who Attended Meeting from Here Believe Situation Is Cleared Up

The applicants for the Wilson toll road franchise, A. G. Beals of Tillamook and E. M. Chandler of Tacoma, withdrew their application Tuesday when the state highway commission ordered its engineers to make a survey of the proposed route and report an estimate of the probable cost of the road as well.

Causes Optimism

As a result of the withdrawal and the order of the commission, the shorter route enthusiasts of Washington and Tillamook counties get what they asked for several years ago. The joint committee from Tillamook, Forest Grove and Hillsboro asked the commission two years ago to make a survey of the Wilson River route.

Having ordered the survey, the highway commission is now deeper into the short-cut proposal than ever before, and there is a strong probability that the short-cut will be built through the co-operation of the state and Washington and Tillamook counties within a few years.

The survey will probably be made next spring, according to the state engineer. The opinion of those who are attending the survey the commission is now, in a manner, committed to building the short-cut, and that with the assistance of the two counties the state is likely to build it.

Many from here attended the 50th anniversary celebration at the Verboort Catholic church Sunday, which was celebrated with fitting ceremonies at an all-day session.

Victim Pulling Slabwood Down When it Fell the Wrong Way and on Him

Bernard A. Fagalde, 64, a resident of Hillsboro for many years, was killed instantly at 10 o'clock Tuesday morning when, thrown into his woodsaw while sawing wood at the Dan Burkhalter place here.

George Pate, who was working with Mr. Fagalde, in describing the accident said that the veteran woodsaw man was left-handed and was pulling the slabwood off the pile when it fell over on him and shoved him under the saw. He was ripped the length of his body, starting at the base of the brain and on down his back.

It was over so suddenly that Mr. Pate hardly realized what had happened. He stopped the saw and pulled the wood off the dead man. Coroner Limber was notified and took charge of the body after Dr. Dimmore had made an examination.

Classified Ads Sell Pigs in Record Time

H. C. Ruecker of Cornelius had returns on his "For Sale" ad in the Argus before he got his paper out of the box Friday. He paid 53 cents to get his little ad in for two weeks. The ad said that he had twenty 8-week-old pigs for sale.

He sold the 20 to a reader of the Argus before he got his own paper out of the mail box. Another subscriber stopped on Saturday to buy them and when informed that they were sold said that he would have been there early Friday had he known there would have been such a demand. This subscriber wanted to make one trip do, however, and waited until Saturday when he had to visit a nearby center. His wait lost him the pigs.

Moral—The Argus has 2500 subscribers and that is a lot of customers for your advertised articles.

LAND SETTLEMENT WORK IS SUCCESS

No Complaints from Thousand Families Located Here

ARTHUR FOSTER SPEAKER

Business Men Are Urged to Extend a Real Welcome to New Settlers

Not one complaint has been made to the land settlement department of the Portland chamber of commerce by the more than one thousand families located by them in Oregon during the last two years, according to Arthur Foster, manager of the land settlement department, who addressed the members forum of the chamber of commerce here Monday noon. The aid of the county appraisal committee is responsible for this, he said.

Many from California

More than one-fourth of the families that have settled in Oregon came from California, according to the records of the department shown to the members. The new Oregon settlers have invested more than \$3,000,000 in the state, declared Mr. Foster.

Mr. Foster told of the workings of the state wide development fund which is now being raised in Portland. He said that the efforts in 1924 were settled largely around the Portland auto camp, but that the plans were changed in 1925 to meet the tourists as they entered the state at the two gateway offices, Ontario and Ashland. Jerry Heston, former secretary of the Hillsboro chamber of commerce, was in charge of the Ontario office and made an enviable record. An office was opened in Los Angeles and the results, Mr. Foster said, were more than gratifying.

He said that the fund would undoubtedly be subscribed in Portland this week and plans would then be started for next year. A much larger thing in the Los Angeles office is planned for the coming year. They plan to show the other fellow what can be done in Oregon at the Southern California office. Reorganization meetings will be held in various parts of the state when the fund is raised.

Gateway office records show that 21 families were sent directly to Washington county during the 1925 season.

The land settlement manager, who is a former resident of Washington county, said that the hardest work of the department was to sell Oregon to the Oregonians.

"When new settlers come to your community, go out of your way to welcome them," urged Mr. Foster.

Because of the work done by the land settlement department and the fact that they co-operate with the various local chambers of commerce in the state, the Hillsboro chamber of commerce has been enabled to secure several new families in Hillsboro and Washington county. In order that the results of this work may be more definitely known, it is requested that all those having knowledge of new families coming to Washington county report the fact to Wilford W. Phillips, secretary of the Hillsboro chamber of commerce.

The regular monthly meeting of the chamber of commerce has been changed from Thursday night, November 5, to Thursday, November 12, on account of the American Legion show, "Billeted," which is being presented November 4 and 5.

C. T. Richardson, luncheon chairman, called attention to the Pacific International Livestock exposition. The forum luncheon committee, recently appointed, consists of C. T. Richardson, R. B. Denney and Morris Weil.

POMONA GRANGE FOR NEW FAIR BUILDINGS

Budget Committee Asks to Include \$2500

FAIR BOARD IS PRAISED

County Grangers Have Interesting Program at Cedar Mills Yesterday

A resolution asking the county budget committee to include in the budget the sum of \$2500 for an agriculture, horticulture and Grange building was adopted by the Washington County Pomona Grange in session at Cedar Mills yesterday. About 150 were present. They also passed a resolution extending to the fair board appreciation of their work in putting on the fair and pledging their support for the 1926 county fair.

Donate Sum

The Pomona Grange voted to donate \$20 after the dedication of the hall to Butte Grange to help defer the expense on their hall as a token of appreciation for their endeavors to extend the Grange spirit in the county.

The resolution requesting the county commissioners to open the county hospital to the public was rescinded following the explanation by County Judge E. J. Ward of the impossibility of such action.

A resolution favoring the use of paid advertisements in the Grange Bulletin by political candidates was passed by the county group.

L. L. Crawford told of the market road work. Judge Ward spoke on the hospital and the toll road. "Diet, Medicine and Health," was the subject of an address by J. D. Mickle, state dairy and food commissioner, Master C. W. Craft spoke on the discipline of the Grange. George Woodworth, fair manager, spoke on county fair work. Mrs. Bovee entertained with a beautiful solo.

The question of whether "the parent has more influence on the rising generation than the school teacher of today," was debated. The affirmative in favor of the parent won.

The next meeting will be with Eanks Grange in January. Fourteen of Leedy Grange took the fifth degree at Cedar Mills.

LEGION TO PRESENT WORLD WAR COMEDY

"Billeted" at Venetian Next Wednesday and Thursday

BENEFIT MEMORIAL HALL

Excellent Cast of Local Stars Directed by Experienced Play Producer

The benefit play, "Billeted," will be presented under the auspices of Hillsboro Post No. 6 of the American Legion at Phelps' Venetian theatre Wednesday and Thursday of next week. The profits from this play will be used to help in paying for the hall recently purchased by the patriotic organizations of the city and which is now known as Veterans' Memorial hall. Organizations co-operating in the purchase of the building are the Grand Army of the Republic, the American Legion, the Women's Relief Corps and the Ladies Auxiliary of the American Legion.

The play is a three-act comedy of the World War and takes place in Petworthy, England. Betty Taradine, a very impractical young society matron of London, comes to Petworthy during the World War and leases the manor house. The Vlear and his sister, Miss Liptrout, call at the manor house and Miss Liptrout, "the argus-eyed citizen," learns from Penelope, a friend of Mrs. Taradine, the history of the "House of Taradine." Two officers, who are billeted at the manor house, become the chief bone of contention, and thus the ball is set rolling. "Oh, what a tangled web we weave when first we practice to deceive."

Miss Belle Taggart, who has taken important parts in high school plays here and who took parts in interpretive plays at the University of Oregon, is leading lady, and is ably supported by the following cast: Miss Valerie Bagley, Mrs. Bessie Barr, Ed Boehl, Miss Sophia Schneider, Herbert Axtel, Gerald Barr, Robert Kelly and Mrs. Anna Sykes.

With the exception of Mr. Boehl and Mrs. Sykes, the entire cast is well known to Hillsboro theatre goers, and it is reported that these two will win a place along with the other favorites.

The play is replete with witty lines and it is also a good plot, giving a very interesting story.

Mrs. H. H. Stannard, who was in the theatrical game in the East and who has coached many successful plays since coming to Hillsboro, is directing the play.

Veterans' Memorial hall is filling a long felt need for the patriotic organizations of the city and gives them the clean, attractive meeting place that should be theirs.

Everyone will be given an opportunity to buy tickets, which are 50c for adults and 25c for children. Ticket solicitations will be made by members of the Legion and Auxiliary. On the advice of Manager Phelps of the theatre, who says that the acoustics in the new theatre enable one to hear as well in one place as in another and after it was found that the seats were not numbered as yet, it was decided to not have reserved seats. The seating capacity of the new theatre, which is more than double that of the old Liberty, will give everyone an opportunity to get good seats.

Tickets will be on sale at the following places: Delta Drug store, Hillsboro Pharmacy, Malibu Pool hall, Rehse Pool hall, MacKenzie Motor company, Weils' store, Argus office and Main Street restaurant.
