Hiteon to Have Bazaar

The Hiteon Progressive club met at the home of Mrs. Harry Robinson. Sixteen members answered roll call with a current event. The president and other officers of the county federation were present. The afternoon was spent in finishing bazaar articles.

Mrs. W. L. Workman will entertain the next Hiteon club meeting in her home, Wednesday, November 18, the roll call to be answered by a Thanksgiving story. All members should attend as the final plans of the bazaar will be discussed.

The club will hold its bazaar Saturday evening, November 21, at the Hiteon school house. A variety of useful and fancy articles will be on sale. A fine program is being prepared including a play, "The Obstinate Family." Light refreshments and candy will also be on sale. The public is cordially invited.

All members of the Hillsboro Coffee club who care to hear an educational talk on "The American Home" should attend the next meeting, Friday, November 13. Rev. L. C. Poor will give the address. Mrs. L. A. Young will furnish the music. Mrs. J. W. Connell is leader, with Mrs. Stannard and Mrs. Stangel as hostesses.

Everyone that was at the Scholls stunt program was glad they attended. In one corner of the room several tents housed various stunts, one tent containing a "real" circus. The entertainment was under the auspices of the Scholls Woman's club. The members were divided into four committees, each committee putting on a stunt and serving some refreshment. The program, with the following taking part, was thoroughly enjoyable: Piano duet, Evelyn Hesse and Mrs. J. M. Stretcher; stunt, bridal scene; vocal solo, Witmer McDonald, reading, Mrs. H. L. Flint; one-act tableau, "The Candy Kiss"; vocal duet, Mrs. J. M. Stretcher and John Sutherland; humorous musical skit, Waldo Flint and Hoots, his dog; Original reading, Miss Thorsell; reading, Aileen Hutchins, age 3; musical selection, Mrs. L. M. Hesse; reading, Mrs. H. T. Hesse; tableau, "Train Trip in Scholls Express;" comic

quartette, Mesdames H. T. Hesse, Guild, Bennett and L. M. Hesse; tableau, "Statute of Liberty," Mrs. Guild. After the program dancing was enjoyed. Frank Rowell furnished the music on the violin, with his wife as accompanist.

The South Tualatin Civic club will hold a bazaar and old time dance at the home of Mrs. F. H. Bowly, November 20. Wahner's orchestra will furnish the music. The articles to be sold will be donated by the members of the club and the school children. The proceeds of the sale and dance go toward the piano for the Johnson school.

The Cornelius Civic Improvement club will hold the tea, that was postponed, on Tuesday, November 17. The tea is to be held in the city hall over the library at 2:30. A numbered ticket will be given at the door to everyone who pays 25 cents. After the tea hour and a short program, a number will be drawn and the holder of the lucky number will receive a very useful piece of Weavever aluminum. Mrs. G. J. Frankel, treasurer of the Oregon Federation of Women's Clubs, will give an interesting reading. Everyone in the community should attend as someone will be the lucky one. The last regular meeting was held at the home of Mrs. Weichbrodt.

Twenty-five ladies attended the Busy Bee meeting in the Grange hall last Tuesday afternoon. After the regular business meeting the members participated in several guessing contests, under the supervision of Mrs. Caldwell and Mrs. Shayler. The first prize was won by a guest of the meeting, Mrs. Maxwell of Mannig. The second prize was awarded to Mrs. John Price. A special feature of the afternoon was a surprise handkerchief shower on Mrs. Gottlieb, one of the old and faithful members of the club. The Busy Bees are planning a food sale to be given some time before Thanksgiving. The proceeds of the sale will go toward the building fund.

The Service club will meet next Wednesday, November 18, at the home of Mrs. Walter Tew.

Service Means Supremacy

A single hit may decide a world's series. An unexpected swell may snatch victory from the leading boat.

But truck supremacy is won on a more substantial issue—on the long, hard pull where minutes mean little and years mean all.

Graham Brothers won world supremacy among exclusive motor truck manufacturers because Graham Brothers Trucks have stood the test of exacting service in every line of business—and because they are priced at a figure that is too attractive to be overlooked.

DODGE BROTHERS SPECIAL TYPE-A SEDAN

If Dodge Brothers had deliberately built the Special Type-A Sedan for women, they could not more perfectly have met feminine requirements.

That women recognize this fact is plentifully evidenced on every hand. The car's striking beauty, its ease of handling and world-famous dependability are features which every motorist values—but which women value the most.

Universal Interest

The advent of the more graceful styled Ford—the Ford of greater riding ease and comfort—the Ford of greater conveniences, was and is the subject of almost universal interest and discussion.

The reason is that people in every walk of life know that this attractiveness was added to the universal dependability which they had actually experienced over many roads and many years.

They knew that this new beauty was intrinsic rather than superficial. For through the years Ford has demonstrated that quality and precision of parts is necessary to volume production.

Unequaled mechanical facilities, in orderly arrangement, offer the public a Ford car of enhanced quality as well as beauty, without increase in price.
