KING & FRANK

BOY!

this Gasoline is different

—as different as a nor'east gale from a summer zephyr. There's *stuff* in this gasoline—action that takes hills like a hawk, response that gets you away like a rabbit at your slightest touch.

Every day, General has everything that real gasoline should have. It's always the same—always the best that we know how to make it. General never has an off day.

Stop at the Green and White Sign and say "General" to the Independent Dealer. Then you'll know what we mean by "different."

The dealer is a man worth while. He owns his own station. He has to give you the best of gasolines to keep you coming back for more. That's why he serves General. "Fill up your tank and let your engine decide."
