**Autumn? Preparation Time!**

Have your home improved as you want it for winter.  
The attic should be finished—  
"Sterling" plaster wallboard is the economical material to use.  
Doors and windows will need weather strip around them. Copper weather strip is the best.  
Machine sheds and chicken houses are profitable.  
Good shingles are cheapest. Paint—the best is none too good—"Fullers."  
INVEST first in necessities—  
Then SPEND on luxuries.
