(Too Late for Last Week) The president of the Scholls Women's club requests that the chairmen of the February, March, April and May program committees report either by phone or in person at the next regular meeting so that programs for the year may be completed. The chairmen in the order named below: February, Mrs. J. E. Bennett; March, Mrs. Rhoda Hesse; April, Mrs. Ella Hesse, and May, Mrs. Moore.

to get back to Scholls, where he can sleep in comfort. Joe Jackson is very ill with pneumonia and is at St. Vincent's hospital in Portland. Mrs. William Hanson and Mrs. Ruby Welter have been on the sick list the past week. V. L. Bogard is ill with bronchial pneumonia and Mrs. Ed Seifert is still on the sick list. The Misses Hazel Bartlett and Evelyn Hesse attended a party at Tigard. Marvin Gaarde was the host. Mrs. Olive Bennett Schultz is recovering from her recent illness and is staying at the parental, J. E. Bennett, home. Saturday evening, Henry Hesse, Ned Cox, Will Hanson and Joe Flint of Lincoln lodge attended the Encampment at Hillsboro. All report a royal good time—installation, initiation and last, but not least, a good supper or breakfast—which?

by letter and will prove agreeable help in the church work. Molly and Sam Rueck sang a lovely solo at the Epworth League services. The Bible verse contest was about a tie last Sunday evening. There were 58 present. Seventy-five verses were found in 15 minutes at the previous meeting and at this meeting 87 verses were found in the same length of time. Mr. and Mrs. Alfred H. L. Allen and sons, Ray and Billy, of Dundee were Sunday guests at the N. B. Welch home. Mr. and Mrs. H. T. Hesse and Mr. and Mrs. J. B. Bartlett were Sunday guests at the J. M. Stretcher home. Mrs. York is now making her home with her daughter, Mrs. A. B. Flint.

The church service were cancelled Sunday, owing to the bad weather and the cold spell. If weather conditions are favorable, there will be the regular service of the Bible school this Sunday at the regular hour, 11 o'clock in the morning. Kirk Hoover spent last week in Fort Lauderdale, where he was attending to business matters. William Wenzel was a county seat caller Saturday. Mrs. Melvyn Vandermost, one of the instructors of the school, was ill a few days last week, but is very much better at this writing. The local Grange, as usual, sent a very good representation of members to the session of Pomona, held with Riverside Grange at Dilley yesterday.

stunt when he had not showed up." Even in the general merchandise business there is a humorous reflection of human nature. "Once there was a young man came down from Vernonia and wanted to buy a new suit for his wedding to take place on the following day. Of course it took him some time to choose his color and style. Then he wouldn't take the suit of his selection until I took the crease out of the pants. I had to take them to an ironing board and press the blooming things out. "Another of our patrons used to barter poultry and farm products in exchange for merchandise. One day when he and his wife came in they selected everything they could think of and then were 25 cents short of the value of their commodities. "What shall we take with this quarter?" he asked his wife. They thought it over for a few minutes. "Sugar," she replied. And sugar they ordered. I went back and started filling the sack with sugar. When about half filled the farmer shouted, "Stop! I've changed my mind—a familiar female trick. I want a package of tobacco." So I went back and emptied the sugar in the bin and filled up his order with tobacco."

up chiefly through reading. His greatest reading interests are in the fields of literature, history and the social sciences. An active interest in education is signified by the fact that he is a member of the board of trustees of Pacific university.

Mrs. Marie E. Moxley was hostess to the Scholls Women's club last Thursday. Mrs. Mabel Allison conducted a lively drill in Better English, followed by Mrs. Maudie Welch, Mrs. J. E. Bennett, Miss Esther Thorsell and Mrs. Ella Hesse, who put on a snappy and up-to-the-minute program. This was followed by a short business session. Come to the next regular meeting and be prepared to state your wishes in regard to having Dr. Emil Enna put on another piano recital in February. A ways and means committee is to report on plans for raising funds. Plan to be present and be one of the workers. And there may be a delightful surprise at the next meeting, too, but you'll be present to learn what it's all about and we won't phone it.

The teacher at the Gromer school reports that the children of the intermediate and grammar grades, who have earned a credit of 90 per cent in their daily work and who have helped to make the school program a success by their excellent deportment are given a half holiday the last Friday of each month. The primary grades are dismissed and the afternoon used to correct the special deficiencies of those who must remain. Those earning the honor this month were: Richard Hoard, Jose Remington, Dorothy Snyder, Raymond Rueck, Willie Jackson, Sophie Jackson, Beulah Rogers, Doris Briggs, Thelma Hesse, Stella Heine, Helen Hicks, Malcolm Foster, Flora Rueck and Frank Tooze.

The literary program at the Grange hall was very entertaining to the large number of people attending. The following numbers were given: Harry Yarter and daughter, duet; Fay Fukai, Japanese songs; L. M. Miller, reading, "Sept Gale;" Victor Wenstrom, song; J. Lawson Auld, musical reading; John Sutherland, guitar solo; Miss Hazel Bartlett, Margie Larkin and Baker, song, and Dorothy Snyder, solo. The program committee for the next literary program is Mrs. Mabel Allison, Virgil Bish and Miss Evelyn Hesse.

The young people of the Epworth League are planning a pie social and literary program for February 12. Virgil Bish is chairman of the affair and it will be held at the Grange hall. Attractive lamp shades are made by first covering the frame with figured material and then stretching over it georgette or chiffon of a plain color. Such shades are not difficult to make and are good now.

Some of the young people enjoyed a coasting party the first of the week at the Sam Ludwig ranch. They report a fine time. Mrs. F. A. Bucher has been quite ill during the past week with an attack of rheumatism. We hope she soon recovers. If the readers of this column, who reside in this community and look for the Kinton news each week, could realize how difficult it is to get news items during the bad weather, they would get in and help the scribe by telephoning any goings and comings or any other items of interest, which the writer would appreciate, as we like to keep this column up to the average. So bear this in mind, please, and call up Scholls, 02-11.

Mrs. Sam Ludwig has been quite poorly at her home during the past week. J. C. Leedy of Sherwood (formerly of this town) was transacting business around town the last of last week.

the entire western Washington county for patronage. A great deal of my trade extended beyond Cornelius and as far as Hillsboro. But no things have changed. There is no doubt of the fact now that Hillsboro is the hub of the wheel of the Tualatin valley. "I will remember the struggle Forest Grove had in attempting to get the main line of the P. R. & N. through to Tillamook to run through Forest Grove. Col. Haynes, H. C. Atwell and I were members of a special committee that journeyed to Portland to see Scotty Reed, pioneer railroad builder, who had charge of the construction of the line.

"Scotty, as we used to call him, didn't commit himself at the time of our interview with him, only asking us to meet him a few days later at 7 o'clock a. m. at a little station one mile east of Forest Grove. We of the committee took him seriously and showed up at the station. After waiting most of the day we began to tumble to his

The spectacular success of the Pontiac Six is as simple as A-B-C. When introduced it was a car such as no one had ever seen before—a six developed by General Motors, manufactured by Oakland and offering, at \$825, qualities of performance, comfort, beauty, economy and reliability entirely new in the field of low cost sixes. Yet revolutionary as it then was, the Pontiac Six is even farther in advance of its field today. For not only is it still the lowest priced six with Body by Fisher—not only is its power plant still the largest used in any six selling up to \$1000—but the fundamental rightness of its entire design has been proved by actual service in the hands of over 60,000 owners!

Advertisement for General Gasoline featuring a testimonial from C. L. Hallberg. Includes a map showing the route from Seattle to Spokane via Yakima, Walla Walla, and Pendleton. The testimonial states: 'Three weeks ago I took a trip to Spokane, Walla Walla, Pendleton, Oregon, Columbia River Highway and back to Seattle covering 1200 miles. In my Ford Coupe, I averaged 33 miles to the gallon on the New and Greater General Gasoline. I use the New General Gasoline in all of our equipment and am finding perfect satisfaction in all seasons of the year.'
