#### Teams Debate

The high school debate teams met those of the Forest Grove high school Wednesday. The affirmative team, consisting of Emil Puhals and Bessie Hathorn won with a score of 2 to 1. The negative team, which went to Forest Grove, lost to the team of that school. The negative team was placed under a difficulty as Jessie Shattuck, one of the debaters, was not able to take part. Alice Rasmussen filled her place. The other one on the team was Delwin Harader. The question for debate was, "Resolved: That the Policy of Federal Subsidies to the States, accompanied by Federal Supervision, be Abandoned."

#### Philo Girls Plan Party

Delicious refreshments were served.
