Helvetia

Mr. and Mrs. Badertscher were visiting at the home of Mrs. Badertscher's sister, Mrs. Pete Furer, in Portland Sunday. They had a surprise birthday party on their stepmother, Mrs. Guerber. All of Mrs. Guerber's children and several friends were present to wish her many happy returns of the day.

Several fur-bearing animals tracks have been seen in the Helvetia woods. When the snow was here Ralph Brooks and some other boys saw a large coyote in the woods on C. E. Horn's place. Several Mason Hill farmers have seen one lately and would like to hear of its being caught.

The Sunshine club gave a surprise party at the home of Mr. and Mrs. Ladd at Groveland last Thursday. The old couple were just getting over a sick spell and it cheered them up to have the ladies call. Mr. Ladd, who has been a school teacher in England and in this country too, entertained the ladies with a talk on ancient history, books, etc. Mr. Ladd is the proud possessor of a walking stick that is over 200 years old. Mrs. Ladd showed the ladies her rag carpet loom, which several had never seen before. She is adept at making rag carpets and just now is making long matched strips that can be sewed together to make a large rug. It will be for sale as soon as it is finished. Mr. Ladd has long passed the allotted span of three score and ten, but is quite spry and has been doing quite a bit of garden work with the spade.

Fred Rufener returned from Switzerland last Thursday. He reports having a fine trip.

Margaret Tschabold spent the week-end with the home folks, but had to return to Portland for treatments.

The membership committee of the C. E. has secured six new members since the first of the year.

Mrs. Mercep's brother, Pete Lulich, from Alaska is here making an extended visit at the Mercep home.

Mrs. Zurcher has been on the sick list but is feeling better.

Mr. Hawkins has been quite sick again and had to have the doctor out last week.

Mrs. Whorton is on the sick list. A program and basket social will be held at Helvetia school on February 18 at 8 o'clock.

The fourth grade has had 100 per cent spelling class since the first of the year.

John Christenson has been sick but is back to school again.

Mrs. Bertha Pieren visited school on Friday of last week.

Mrs. Bertha Pieren was visiting Mrs. D. Hershey and Mrs. Hager last week. Mrs. Hager is still suf-

fering from the effects of a shock that she had some time ago, but is able to be up and around.

Inspect Business Methods

Oregon Agricultural College, Corvallis, Feb. 4—Conway Carter of Hillsboro, sophomore in commerce, and John Buchanan of Cornelius, sophomore in agriculture, both members of the O. A. C. Marketing club, left today for Portland with 25 other members of the club. They will visit several firms in Portland and will inspect the business methods used by these firms.
