Issued on Thursday of each week by McKinney & McKinney, Publishers. Entered in the Postoffice at Hillsboro, Oregon, as second-class mail matter

THE CELEBRATION

The Fourth of July will be celebrated in Hillsboro again this year as it has been for years. The chamber of commerce and the business men of the city are looking at the

situation in a broad sense when they

go ahead with this annual event. It is not the particular returns that it may bring to any one individual or group of individuals in the community, but it is the good that reflects to the city from being the outward forms of friendship, but on the map as a live and progress-ive community that does things for increasingly preoccupied. When Lauthe entertainment of its neighbors. rie spoke, Bangs had the effect of It should not be considered as a coming to him from a long distance,

be made to pay its way. The Fourth of July in Hillsboro has come to be a homecoming in the gether, for the first time in several real sense of the word. People come reites Laurie confided to his friend from afar and old neighbors meet his new anxiety about Mrs. Ordway. old neighbors and old friendships Bangs at once became human. Inare renewed. It brings the farmers deed, he showed a degree of solicitude to town for a good time and Hills- that surprised his friend. It was sudboro is the host.
