Children's day was observed at the church last Sunday. It was Father's day as well, and the pastor, Rev. W. L. Strange, was present and made very appropriate remarks along the lines of the observance of these special days. The regular session of the Bible school was held in the morning, and a basket lunch was served at noon in the grove adjoining the church and there were many good things to eat. It was enjoyed by a good representation of the parents and others in the community. In the afternoon the following program was given by the school: Organ solo, Miss Grace McCormick; song by choir; "Welcome Parents and Friends," primary class; recitation, "Welcome Summer Days," Robert Richards; song, "God is Everywhere," girls' class; recitation, "Needed," Glen Pringle; recitation, "A big Enough Family,"
