First Chamber Forum Is Pep Meet for Fair

Fair Officials Appreciate the Support of Hillsboro

Publicity Has Results

Illuminating Engineer Speaks At Luncheon Forum Next Monday

The opening chamber of commerce luncheon for the fall season Monday was in the nature of a county fair "pep" meeting.

All speakers voiced appreciation of the support given the annual show by the business people of Hillsboro, and expressed the desire that every section of the county lend their support and co-operation.

Board Works Hard
The fair board has never worked so hard for a successful fair as they have this year, according to Robert Banks of Banks, president of the board.

Mrs. Emma Bryant, secretary of the board, expressed the opinion that the most essential thing in putting on a county fair was to create interest among the people of the county.

"It is up to us as residents of the county to show that if there is a better county in the country it will have to get up and hustle," stated C. D. Minton of Forest Grove, first vice-president of the fair board.

Henry Hesse of Scholls, second vice-president of the board, said he would like to see the farmers close up shop and attend the fair as the Hillsboro business people plan to do on Hillsboro day.

Fair Important
Ed. L. Moore, secretary of the chamber of commerce and in charge of concessions and amusements, stressed the importance of the fair to the county and Hillsboro. He (Continued on Page Four)

Two Dissolve Partnership

A dissolution of partnership effecting two local business institutions was consummated last week. In the deal Glenn V. Payne becomes owner of the Hillsboro Pharmacy and L. C. Kramien and L. T. McPheeters are the proprietors of the Palm Drug store. Mr. Payne and Mr. McPheeters had been in partnership in the Pharmacy for 16 years, which made the store management one of the oldest in the city. They purchased the Pharmacy from Page Gardner. Two years ago the two, in association with Mr. Kramien, purchased the Palm confectionery from C. Teege and started a combination drug and confectionery store. The Pharmacy is the second oldest drug store in the county. Mr. Kramien will continue as manager of the Palm. (Visit the Fair)

Forest Grove Makes Appeal on Old Case

New Group Would Be at Helm Over Affairs of City

Developments in the Hillsboro municipal election started Friday when nominating petitions were filed for E. L. McCormick for mayor and C. C. Bannister, A. Brandaw and George J. Limber for the council. Mr. Brandaw is running in southwest Hillsboro where the terms of Orange Phelps and J. W. Connell end January 1. The term of J. H. Garrett in north Hillsboro ends this year, and W. V. Bergen is the hold-over, and Mr. Bannister would take Mr. Garrett's seat. Mr. Limber is in the running for the councilmanic seat to be vacated by George Chambers in southeast Hillsboro. Charles E. Wells is the holdover city father in that section of the city. Closing date for the filing of petitions is October 6 and it is likely that other candidates will be named. (Visit the Fair)

Contract For Paving Is Let

The contract to lay concrete paving on Seventh street from Main to Lincoln, Sixth from Oak to Baseline, and the widening of Lincoln in front of the new high school, was awarded by the council Tuesday night to Stein Brothers, of Eugene, for \$7,977.25. This total is based on a figure of \$2.11 per square yard of paving, and 26 cents a foot for curbing. Other bids were as follows: Rigdon, Woodburn, \$8,163.80; K. G. Lundstrom, \$8,351.80; C. G. Randall, \$8,400.15, and T. F. Ward, \$8,631.85. The last three were from Portland. Plans that would give more room for the county fair grounds and give the fair board a definite understanding as to the use of the Shute park were discussed with the city council Tuesday night by the fair board.

The present grounds, presented by the business men of Hillsboro, are not large enough for expansion, explained Robert Banks, president. The discussion showed that there was land which could be purchased nearby and which would, together with a limited use of the park, allow for a half mile race track. The council turned the question over to the park committee with instructions to work out a definite arrangement or lease with the board. C. D. Minton of Forest Grove and Henry Hesse, members of the fair board, were present and joined in the discussion. (Visit the Fair)

Fire Cause of Scare to Farm Folk Saturday

Henry Miller Farm Buildings Destroyed by Fire

Local Department Aids Hillsboro Firemen Prevent the Blaze from Reaching the Nearby Farm Houses

Fire destroyed the house, two barns and outbuildings on the Henry Miller place at Witch Hazel Saturday, resulting in a damage of approximately \$1,500 with insurance at about \$1,100. Part of the household goods were saved. The Hillsboro fire department answered the call and prevented the blaze from scattering to nearby places. The blaze started in the kitchen roof and quickly spread to adjoining places by burning along the fences. Had it not been for timely assistance all would have been destroyed, as the property and buildings of neighbors, O. A. Anderson, Elmer Scott, C. W. Bloom and Oscar B. Poe were threatened by the conflagration. County trucks were used in fighting the blaze and the aid of neighbors, together with the fire department, fought hard and saved the adjoining property. Twenty-four hours to go Mr. Miller had been insured with a fire insurance company for 20 years and paid on an annual basis. He had just 24 hours more on his 30-day period of grace for paying his premium when the fire occurred. An old abandoned hop house on the Bagley place at Leisville was destroyed by fire Saturday when a straw pile was burned too near the old structure. The Hillsboro fire department was called to fight the fire. A residence owned by the A. Rossi estate at Beaverton burned Sunday. (Visit the Fair)

Hoss to Take Place Monday

Hal E. Hoss, of Oregon City, will be appointed by Governor I. L. Patterson shortly to serve as secretary of state, filling the unexpired term of Sam A. Kozier, who is resigning to take over new duties as director of the state budget. The change in state officials is set for Monday, September 24, and Mr. Hoss will serve by appointment of the governor until January 7, 1929, the end of the term for which Mr. Kozier had been elected. Mr. Hoss is the republican nominee for the office of secretary of state, winning in the primaries by a wide margin over H. H. Corey and Tom B. Handley. There will be no drastic changes in the personnel of the office of secretary of state, according to Mr. Hoss, who has let it be known that he intends to conduct affairs as efficiently as possible, without regard to professional job-hunters and political hangers-on. The Hoss family has moved to Salem and taken up residence in the Fairmont hill district. (Visit the Fair)

Registration for Year Still Lower In Local Schools

Seventeen new students registered at the union high school Monday, according to Superintendent B. W. Barnes. This brings the registration there to 321, which is still less than last year. Superintendent C. H. Nosler of the grade schools reports a registration of 552, which is also under last year's mark. All children who will be six years old by November 15 may enter school at any time now. The grade school football team started practice Tuesday evening under the direction of Coach Johnson. The captain will be selected next week. All 4-H clubs are exhibiting their work at the fair. Pins have been presented to the children who have completed all their work. A cooking demonstration will be given by Juanita Kerr and Hazel Blades from Mrs. Thompson's cooking club. (Visit the Fair)

Mr. Millet Did Not See Wife Take Gun

Through an error in understanding the Argus last week stated that Joseph E. Millet saw his wife take a gun from her nephew's room early in the evening before shooting herself in the head with a revolver. It was the nephew instead who saw her take the gun from its regular place, but didn't think anything about it. Mr. and Mrs. Millet were on the best of relations and, as stated in the article, after she had left the bed several times he put his arm over so that she would wake him in case she attempted to get up again. Funeral services were held Sunday for Mrs. Millet from the Glenn F. Bell mortuary and interment was in the Tualatin Plains Presbyterian church. The Rev. H. A. Deck officiated.

A Nash automobile, license 253-944, owned by Otto Johnson of west of Hillsboro, was stolen from Third street here last night. Thieves entered the Frank slaughter house near town last night and stole a 225-pound dressed pig.

Hillsboro Is Mecca of Children of County as Annual Show Opens

Interest in Fair Seems to Be Greater This Year Than in Previous Years; State School Head Howard Gives the Opening Address in Place of Hal Hoss; Twin Contest Draws Attention of Whole County; Amusements Many.

Hillsboro today is the center of interest for all children in Washington county! The county's annual fair opened this morning with every indication, in the opinion of observers, that it was a bigger and better show than ever before. Interest seems to be greater and with the many free attractions and diversified amusements it is expected that the attendance will exceed other years by far.

This is Children's day at the fair and the kiddies are here from every school in the county. They were special guests at the opening exercises at the auditorium in which Charles A. Howard, state superintendent of public instruction, made the opening address in place of Hal Hoss, who could not come on account of taking over the duties of Secretary of State Sam Kozier. The 4-H clubs took part in the program along with fair and school officials.

The twin round-up named on the program at 3 p. m. Saturday in the pavilion has attracted considerable attention, and from the number of entries listed to date the competition should be interesting.
