### Hidden Values in this amazing TIRE

No man knows the hidden values in this tire until he has driven it many thousands of miles.

In tens of thousands, as a rule, you will measure its trouble-free mileage.

The body or carcass of the tire is made of that seemingly indestructible SUPERTWIST. And now slow, even tread wear is insured by its new tread design.

It is the World's Greatest Tire.

Time alone reveals its full worth. But some things about this amazing tire, you will know from the very start.

You will sense its uncanny ability to grip the road, its sureness and safety under all driving conditions. You can see its smart pattern,

### THE WORLD HAS A NEW AND FINER MOTOR CAR

Special Six '400' Sedan \$1570 Here fully equipped

### It was a Twin-Ignition Motor that carried Lindbergh over the Atlantic, Goebel \* over the Pacific, Byrd over the Pole!

In history-making flights Lindbergh, Byrd, Goebel\* and a host of others have established dramatically and conclusively the superiority and reliability of twin ignition, high compression, valve-in-head motor performance.

The result is more power from less gasoline, and ordinary gasoline at that. No special, high priced fuels are required for the Twin Ignition Motor.

Once you drive the great new Nash "400," you are certain never to be contented with the performance of older types of motors.

### NASH '400' Leads the World in Motor Car Value

**IMPORTANT FEATURES—NO OTHER CAR HAS THEM ALL**
