"Splinters"

It's all over but the shouting! Hoover and Curtis, both western men, have fulfilled the traditions of the West as they "broke the solid south" and carried away the nation.

Mr. Al Smith no doubt feels a good deal like the negro who was to undergo an operation.

Surgeon: "I feel it my duty to inform you that four out of five patients die under this operation. Now before I begin?"

Mose: "Yassuh, kindly hand me mah hat!"

all summer, and still feel that the future of the farm is safe, are John Lubich and Abe Zahler. The former is building a new house and the latter is adding to and remodeling his old one. The Haywood school house west of Hillsboro on the highway is finished. H. E. Thompson was the contractor and builder. All three of these builders find it profitable to buy their building materials from Pool-Gardner Lbr. Co.

A lady from Beaverton told us that she hears the paint programs broadcast by W. P. Fuller & Co., and finds them very helpful. We wonder how many Hillsboro ladies are profiting by hearing them. Pool-Gardner Lbr. Co. is the Hillsboro dealer for "Fuller" paints, varnishes, enamels, kalsomines, brushes,

"Sow Lime."

Enough %-inch oak flooring to lay over an old floor for a room 12x16 feet will cost only \$19.75. Can anyone afford to be without a nice oak floor at this price? Ask Pool-Gardner Lbr. Co.
