**BURNBRITE
KEROSENE**

A DRASTIC improvement in manufacturing process has made this better kerosene possible. At no added cost you can now have a kerosene that offers these valuable advantages:

1. Burnbrite has a clean, sweet odor.
2. Burnbrite burns with a clear, white flame.
3. Burnbrite does not char the wick.

At your neighborhood grocer's or the nearest red, green and cream service station you can get this new product. Try it confidently; you'll want to use it regularly.

Ask for the Burnbrite booklet. It gives you a score and more of valued uses for Burnbrite, with finer results than you have ever known. Read about the convincing lamp test—a standard lamp burning for from 60 to 65 hours on one filling of the fuel.

CHEVROLET
CONSTANT EXPANSION
—to serve Chevrolet owners better

SINCE January 1st more than a million new Chevrolets have been delivered to owners—making the Chevrolet Motor Company, for the second consecutive year, the world's largest builder of automobiles!

This outstanding achievement has been attained not only because of the quality and value of Chevrolet cars—but also because there has been a constant expansion of Chevrolet service facilities.

In order to bring these mammoth facilities of the Chevrolet factories to Chevrolet dealers and owners everywhere, there have been erected 26 huge parts warehouses in the principal centers of distribution. This expansion program is continually going on—for four great additional warehouses will be in operation by January first and seven more by the summer of 1929.

Into the service departments of all Chevrolet dealers, Chevrolet has brought special tools and shop equipment—designed under the supervision of Chevrolet engineers. This equipment definitely assures maximum speed and precision and the lowest possible cost in the performance of every Chevrolet service and repair operation—which are charged for on a flat rate basis.

Furthermore, all of these tremendous facilities have been made available to 15,000 authorized service stations manned by skilled mechanics, over 25,000 of whom have been factory trained to efficiently handle every repair operation on a Chevrolet car. In addition, there are over 4,000 other points where genuine Chevrolet parts may be obtained.

Uniformly efficient, uniformly reliable and within easy reach of everybody everywhere—this great service organization is maintaining at peak efficiency the fine performance for which Chevrolet cars have always been renowned.

We cordially invite you to come in and see how our service facilities reflect the influence of this great national service program.
