### Portland Police and Firemen to Perform

Portland policemen and firemen, led by chief of police, L. V. Jenkins, will give a program at the Venetian theater, Thursday evening, November 22, for the benefit of the Methodist church. Tommy Luke, the well known leader of community singing and the Portland Fireman's band, and Lieutenant Crane, the policeman soloist, will assist in putting on the entertainment, which will include a selection of comic stories, songs and stunts, according to Rev. E. B. Lockhart. They also plan to give a street parade before the program.

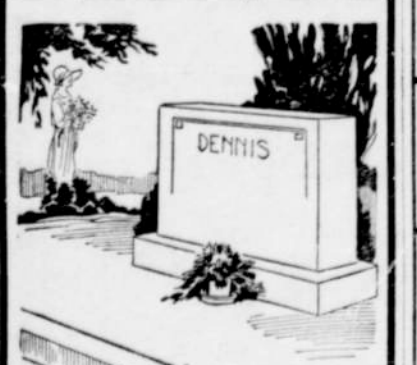

The policeman's quartet recently presented a program at the Methodist church in Hillsboro which was well received. It is expected that the sale of tickets will be large since Forest Grove, Beaverton, Cornelius, Scholls and other communities will be represented.

This is a case of the preacher, the policeman and the picture show man in hearty co-operation, Rev. Lockhart pointed out.

# ARMISTICE DAY

—And so peace came to the world, and with each year of it comes a realization of the need for eternal peace and for the furtherance of mankind's common interest.

ARMISTICE DAY is not merely a day of marching and waving of war symbols. It is a time for the *beau geste* of compassion, fellowship, and the breaking down of racial and sectional barriers.

We, who sign this message, endorse devoutly any and all sincere efforts for continuous world peace, for it is only through brotherly love that individuals thrive, countries prosper, and that the world wheels on toward a millennium of eternal sunshine.

To that end FLANDERS FIELD sleeps in hope and smiles up from shattered bones. War is only valuable as it makes peace more permanent.
