No. 42.

HILLSBORO INVITES THE CHRISTMAS BUYER

Rea Wins the Rotary Cup as Greatest Help

Football Boys Honor Fellow For His Services

Club Host to the Team

Graduation Leaves a Gap in Lineup of Eleven; Coach Praised by Rushlow

Leonard Rea, quarterback on the Hillsboro union high school football team, was declared the greatest inspiration and help to the team during the 1928 season, in a vote taken by his teammates at the Rotary club meeting Thursday. The Rotary cup was presented to Leonard by R. Frank Peters, members of the football squad were guests at the Rotary luncheon and Coach B. M. Goodman was chairman.

Here Ineligible

Captain John Hare, star end, received the honor last year and was ineligible to receive it for the second year. Other winners of the cup have been Larry Frost in 1923 and 1924, Harry Kent in 1925, and Loren Schulmerich in 1926. The winning of the Rotary cup is considered the highest award that a high school athlete can receive.

Hilli has just completed a successful season, which puts them well over the 500 percentage. They won five, lost three and tied one.

Graduation leaves a gap in the ranks of Hilli football for next year. The men that will be lost include the following stars: Freeman, Gabie, Bagley, Dinsmore, Pasley, Hare, Rushlow, Rea and H. Johnson.

Tells of History

An interesting history of football at the high school, which was prepared after much research by Jack Rushlow, star halfback, was read to the Rotarians by Jack. The paper told of the change of the Hilli record as regards Forest Grove, where in the old days it used to be decisive victories for the Grove it is now the other way. Credit for this change was given Coach B. M. Goodman.

The football tappers sang a number of songs. A playlet was presented by Leonard Rea, John Hare, Huston Johnson, George Bagley, Marlow Hickox and James Dinsmore.

Two new members, Edward Schulmerich and L. J. Merrill, were presented to the club.

Appraisal of Gridsters on the Hillsboro Union High Eleven for Year Is Made by Coach; Fighting Spirit Was of Highest

By B. M. Goodman, Coach

Although one of the lightest teams Hilli has had for years, the coordination and fighting spirit of this year's team was of the highest type. It has been a very enjoyable year of coaching as the boys responded so well and were trying their best at all times. We had no particular individual stars this year, but many members of this team would make any high school team in the state. I feel that the season has been a decided success in spite of the loss of three of our games.

The policy of giving so much praise to the players during the ball and making the touchdowns is, I believe, gradually changing, and news reporters are going to give the linemen and interference runners a word of praise now and then. Not that I would detract any attention from the player carrying the ball, but it is very true that the star would not shine long if his line failed to function.

With this in mind I would venture a few remarks concerning our linemen. Hare, left end, played his usual hard game on defense and was much better on offense this year. His punting was above the average for high school and his kicks were well placed so that very few punts were returned for any gain. His goal kicking was also very accurate and saved us from defeat on three occasions during the season.

Freeman at the other end played a very consistent game for not having had previous experience and was down on punts nicely and made some nice tackles.

Chase was moved from pillar to post this year and did not show up as well as we expected until he began playing regularly at tackle, where he played up to his last year's form and played an outstanding game at the last of the season.

Pasley, although not a flashy player, played a nice consistent game and followed the ball well and was down on punts in good style.

Reha, one of the lightest men at tackle, played a scrappy game and was a good tackler.

Gabie, at guard, played an outstanding game and showed up well in running interference.

Patterson, at guard, was particu-

Fight Fans Pack Commercial Hall For Guard Bouts

The main go between Lester (Brick) Glasco of Hillsboro and Gerald Watson of Blooming in their re-match furnished plenty of excitement for the 250 fight fans in attendance at the national guard smoker Tuesday evening. Brick displayed plenty of cleverness at long range, but Watson was so powerful that he covered him up in the in-fighting.

The city boxing commission will be functioning at the next smoker, the second week in January, and Lt. Ray Dillon promises the fans some real fast bouts with decisions. A regular admission fee will probably be charged at that time.

Some fast bouts were put on by the following: Lester Batchelar vs. Raymond Sandy; Raymond Freel vs. Don Batchelar; Bryce Nosler vs. Lester Wahner; and Roy Miller vs. C. Medlock.

Legion Gives To Scout Fund

The American Legion Tuesday night voted to contribute \$25 to the Boy Scout fund in Hillsboro as a start toward the \$500 that is needed to continue the scout work in this district. The legionnaires will also aid in the general campaign for funds to be started soon.

Every possible aid to the community Christmas tree and general "good cheer" fund was the expressed desire of the post. They decided not to put any trees in the flag holes this year because of the inconvenience to those desiring to park their automobiles near by.

An advanced ticket sale will be made for the carnival dance New Year's eve. J. H. Murton, Henry Kamra and H. L. MacKenzie are on the committee for the dance.

The Oregon State college cadet band will appear at a later date in a concert and dance under the auspices of the legionnaires.

A vote of thanks was extended Archie Bryant for his services as chief at the legion banquet for the business men. An expression of appreciation was also given Ed Maling and Charles Pugh for their help.

M. J. Haynes Serves As Constable Years

M. J. Haynes, who is probably the oldest constable in the county from the point of service, was in the county seat Wednesday to be sworn in for another term as constable of the Sherwood district. On January 1 he will have served as constable for 24 years.

Automobiles Stolen In County Monday

Two automobiles were stolen in the county Monday, according to records in the office of Sheriff J. E. Reeves. One was a Nash sedan, Oregon license 185-811, owned by William Robb of northwest of Hillsboro, and the other was from Forest Grove, an Essex, license number 201-583, belonging to Walter VanDyke.

An Oldsmobile touring stolen from Portland was found near Scholls Monday.

For Exchange—1920 Buick, in good running condition; license and good rubber; for mule, cow or what have you?—J. H. McLeod, route 2, Beaverton; telephone 2618 Beaverton. 33-1f

"Always Get Results"

"I get better results out of the Argus than any paper that I ever advertised in," declared Mr. McLeod. Results are immediate.

Classified ads in the Argus bring results and the cost is small. Have you something to sell? Let the Argus sell it for you.

"Read the ads—It pays!"

Turner and Vickers, playing in their senior year, showed up nicely whenever they had the chance.

Others that showed up well as material for next year's team are Hill, Hulit, Kelley, Batchelar, Sabbin, Delplance, Cawse, Robert Johnson, Delplance, Burke Tongue, and Welch.

Harlan Hickox, who transferred to Hilli from Forest Grove and was declared ineligible, deserves a word of credit for his assistance given the team, by coming out every night and scrimmaging against them.

Help to Needy Families Plan of People Here

Christmas Cheer to Go Into Every Home Here

Money, Supplies Asked

Veterans' Hall Again Station for Receiving; Leave Money at the Argus

That Christmas cheer will go into the needy homes of the community as in past years is the plan of the president's council, which met at the chamber of commerce Wednesday evening to perfect plans for carrying on the work.

More Need This Year

There is more necessity for the work this year than previously, it was stated, and as a result efforts will have to be increased. Money raised last year totaled \$177.00, and of this amount \$63.14 remained over in this Christmas charity fund for use this year. If any is left over again it may be used for necessary work during the coming year or held in the sinking fund.

The Needlecraft, being more familiar with conditions, will again be in charge of the distribution. Mrs. Harvey Batchelar, vice-president of the Needlecraft, is in charge.

A general appeal for clothing, fruits, vegetables, groceries and money is made in the name of the co-operating organizations. The food and clothing should be left at the Veterans' hall on Main street near First street all day Thursday, Friday and until Saturday noon. Representatives of the women's organizations will be present to receive the articles as they are brought from anyone who cares to contribute.

Can Give Money

Money donations in any amount should be left at the Argus office with Mrs. E. C. McKinney, who is treasurer of the organization. All checks should be made to the Community Christmas fund.

The Rotary club, as usual, is taking charge of the delivery, which will be made Saturday afternoon. The other organizations are assisting in the good work when needed. The Boy Scouts will aid the Rotarians in delivery.

The organizations represented at the meeting and the amount pledged by each are as follows: Women's Relief Corps, \$10; Women's Service club, \$10; Professional Women's club, \$10; American Legion, \$25; Rotary club, \$25, and the chamber of commerce, \$25. Although not represented at the meeting the Legion Auxiliary will give \$10.

The school children will be asked to carry the message of need into the homes in order that everyone will have an opportunity to assist.

Attention was called to the amount of fruit, groceries and clothing sent out of here each year to Portland to aid in charitable work. Mrs. C. H. Emmott, president of the Coffee club, felt that with the number of needy families in this county "that charity should begin at home."

High Schools In News Events

University of Oregon, Eugene, Dec. 13.—(Special)—All the high schools of the state where a school paper is published or where the high school students supply news to local papers will be eligible to compete in the Oregon High School Press association journalism contest, fostered by the school of journalism of the University of Oregon, it is announced by George H. Godfrey, assistant professor of journalism, who is in charge of contest arrangements. A committee consisting of Mr. Godfrey, David Wilson, Portland, president of the press conference last year, and Estil Phipps, Medford, president this year, has worked out details.

A handsome trophy in the shape of a large loving cup has been donated by Dr. Arnold Bennett Hall, president of the University of Oregon, for the best all-around high school paper in the state. For the best paper in high schools of over 500 the Eugene Register has donated a cup, and for the best paper in schools of under 500 the Eugene Guard has offered the award. The winner of the grand award will not be eligible for these. Harris Ellsworth, field manager for the Oregon Editorial association, is donating the cup for the best news furnished local papers by high school students. Trophies must be won three times in order to become the permanent property of a school.

The contest is being sponsored at the request of high school students themselves, who feel that such competition will make for better work in the school and will add interest to the annual press conference, which is held each year as a part of the high school conference at the university. This year the conference will be held January 11 and 12.

Judges for the contest will be named soon. All entries for the contest must be sent in by the school of journalism, at the university in Eugene, not later than January 9. Two or more copies of the high school paper published this school year, or two issues of the local paper, or school news, will be required for entry. Announcement of winners will be made at the annual conference banquet, January 12. Information and details about the contest may be obtained from the school of journalism, of the university.

Elect Woodworth Master of Local Grange Saturday

George L. Woodworth was elected master of Hillsboro grange at the homecoming meeting Saturday. He will succeed R. Hornecker, who could not take the office again on account of his health.

Other officers named are as follows: C. H. Himes, overseer; Mrs. Frances Norton, lecturer; H. I. Patten, steward; E. H. McAninch, assistant steward; Mrs. H. I. Patten, chaplain; G. C. Chase, treasurer; Mrs. G. C. Chase, secretary; Otto Wohler, gatekeeper; Mrs. S. D. Logan, Ceres; Mrs. Ervin Burkhalter, Pomona; Mrs. Otto Anderson, Flora; and Mrs. R. H. McAninch, lady assistant steward.

Dr. E. J. Bulgin, revivalist, who is holding meetings at the Baptist church, talked at the meeting. He was assisted by Charles B. Clark, soloist, and Ray W. Jones, pianist.

Four candidates were put through the first and second degrees in the morning.

Mr. and Mrs. D. G. Lilly of Forest Grove grange were present.

Boys and Girls! Santa Is Coming!

Word came from the land of Eskimos and reindeer late last night that Santa Claus, the friend of all good little boys and girls, will be in Hillsboro from 3 p. m. Saturday, December 22, at the court yard. Santa Claus in his communication said that he would have a present or a "treat" for every boy and girl in Washington county, so they will surely want to be here.

The distinguished visitor from the north will make his headquarters under the large decorated Christmas tree in the court yard. Members of the fire department Tuesday strung the lights around the tree, and the Portland Electric Power company was to make the electric connection today.

Land and Labor Given For Road

Men living on the Hiller road, southwest of Laurel, worked several days last week doing repair work. The women gathered at the Hiller home, one of the days, furnishing a warm dinner for the workmen and enjoying the social get-together.

Five years ago two miles of this road beyond the Whittle place was standing timber. The land for the road was donated by the people whose places it crosses, and with the exception of the surveying and the work of the county grader, the most of the work of building the road has been done by the donation of a few men along the road. About one-fourth mile was reworked this last season, and the people hope for that much or more next year as a few places in the road get practically impassible for cars during the winter.

The district road supervisor has said that it is one of the best so-called mountain roads in the county, combining good grade, which averages five per cent, with the beautiful scenery, and the views which the traveler can get as he nears the top of Chealem Mountain.

A preliminary survey by the county surveyor has been made to connect this road with the new road that comes from Newberg up towards Bald Peak, and some work has been done in this connection.

Guernsey Breeders To Meet Wednesday

C. W. Robinson, western representative of the Guernsey Cattle club, will be the principal speaker at the annual meeting of the county organization which will be held in the chamber of commerce rooms next Wednesday afternoon, according to H. T. Hesse of Scholls, who is secretary of the club. New officers will be elected and work for the coming year will be outlined. All cattle raisers are urged to attend.

Grand Jury Makes Brief Report Friday

The grand jury Friday reported three true bills, one secret and two true, in circuit court. The grand jurors were excused until December 18. William Binns was indicted on a charge of larceny.

Harry Gardner Saturday waived a grand jury indictment, pleaded guilty and was fined \$100. He was paroled for \$50.

A divorce was granted Ida L. Gustin from John E. Gustin.

The supreme court has confirmed the decision of the lower court in dismissing the complaint of the plaintiff, Harriett E. Fagalde against Henry and Doris Whitcomb, according to papers received here by County Clerk E. C. Luce. The suit involved an estate.

Judge Bagley was in Tillamook this week. He will return Friday.

The next case in circuit court here will be heard Monday.

Benefit Play Next Tuesday at Venetian

A full house is expected to greet the cast at the presentation of "The Patsy," three-act comedy at the Venetian theater next Tuesday evening. It is a benefit play given under the direction of the Grand Army of the Republic and the Women's Relief Corps.

The cast in the order of their appearance included Art Miltenberger, Mrs. Stannard, Miss Fanny Knigman, Miss Mildred McLeod, William Dierdorff and Tom Caldwell. Mrs. H. H. Stannard is the director.

Stores Here Are Filled With the Newest Stocks For the Christmas Trade

Suggestions for Every Member of the Family May Be Found in the Advertisements of Local Merchants; Every Effort Made to Solve the Problem of What to Give; "Do It Now" Is Thought of All; Hillsboro Stores Are in Full Tune With the Season.

Give Winners Of City Event

Winners in the city beautiful and clean-up contest conducted during the summer by the city beautiful committee of the chamber of commerce and the civic improvement committee of the council have been announced.

Arvin and Marvin Robb win the \$10 cash prize offered by the chamber of commerce for the boy or girl of 17 years or under maintaining the lawn with the most economical use of water for irrigation. The two boys are the sons of Dr. and Mrs. J. O. Robb, 1569 Washington street.

Mrs. Rosie Carow, 1132 Oak street, won the Hillsboro Argus \$10 cash prize for having the place which showed the greatest amount of improvement and with the most economical use of water for irrigation. The lawn of Mr. and Mrs. W. C. Theda won honorable mention because of outstanding improvement. This was a new lawn and is now one of the most beautiful in town.

The results of the contest did not come up to the expectations of the committees, although the message was carried to each individual home through the co-operation of the Boy Scouts, according to those in charge. It is the hope of the committees that should another contest be conducted next year that the people of the city will take a greater interest and show a real civic pride.

When asked if the irrigation was costly, Dr. Robb said, "No, that a good soaking of the lawn once a week was sufficient to produce the best results."

Twelve Attend State College

Oregon State Agricultural College, Corvallis, Dec. 13.—Hillsboro is represented by 12 students at the college this year—two seniors, three sophomores and seven freshmen.

Laura A. Deck and Robert G. Jones, seniors, expect to receive their B.S. degrees in vocational education next June. Miss Deck is associate preceptress of Snell hall, her campus residence. She was president of the Seekers, a club for students belonging to the Congregational church, during her junior year. Mr. Jones is manager of the Oregon State symphony orchestra.

The sophomores are Haarby B. Bechen, major in commerce, living in the Sigma Phi Sigma fraternity house; Ruth H. McGrath, vocational education major, living in Kidder hall; and Emil I. Puhols, major in commerce, living in the Sigma Phi fraternity house.

Freshman students are Dorman Blazer, vocational education major, living in the men's dormitory; Ruth Gilmore, home economics major, living in the Alpha Omicron Pi sorority house; Vera Hensley, commerce major, living in the Beta Phi Delta Theta fraternity house; and Ruth I. Julien, home economics major, living in Kidder hall.

W. C. Theda, president of the Imperial Grain and Feed company, was Tuesday night elected as a member of the board of directors of the chamber of commerce, to fill the vacancy caused by Glenn F. Bell leaving town. Mr. Theda will serve until the annual meeting in January when two directors are to be elected. Mr. Theda has been very active in civic affairs since coming here.

W. C. Theda Elected To Chamber Board

The county manager form of government amendment, proposed by the grange and other organizations in Clackamas county, was endorsed by the board, as was the free travel plan for chamber of commerce secretaries to promote Oregon advertising.

Basketball Practice To Start Next Week

Basketball practice at the high school will start the first of next week, according to Coach B. M. Goodman. The coach has two lettermen, Rea and Blazer, at forwards, and Milton Johnson, from last year's squad as center to build his team around.

The Hillsboro schedule is as follows: Tillamook, at home, January 12, away February 21; Beaverton, at home, January 22, away March 8; Forest Grove, at home February 1, away February 15; McMinville, at home February 26, away January 25, and Newberg, at home March 5, away February 8.

Confidence in Town Is a Necessity

The growth and the prosperity of each one of us depends upon the confidence which the people of this community have in its present and in its future.

This confidence leads us to all worthy developments which tend toward making this community a better place in which to live.

Confidence in the ability of the local business men to supply our needs with reliable merchandise at reasonable prices is likewise a most important factor in the prosperity of the community. Since it is of such vital import to all of us to keep our confidence in our neighbors and their confidence in us, let us each do every possible thing to warrant confidence. It will help us to build our home community into a busy, prospering town—a home town of which we will all be proud.—Ex.

Avoid Scramble

Christmas shopping patrons are urged by local merchants to do their shopping NOW and avoid the mad scramble that always awaits the last minute shopper. Extra salespeople have been employed and every effort is being made to handle the Christmas trade in the most expeditious manner.

The spirit of Christmas is to be found in every store, where new stocks of merchandise are displayed and decorated in holiday colors. Much hard work and planning is shown in the store and window displays.

A feeling of optimism as regards the Christmas trade prevails among the merchants, who feel that there is money in the country and that the after-election spending is due.

People in this community enjoy better and bigger stores than those in the average town of this size, and this fact is reflected in larger stocks and prices for the small pocketbook as well as the large.

Evangelist Is Monday Talker

Business today is built on common honesty, declared Dr. E. J. Bulgin, in an address before the Hillsboro chamber of commerce Monday noon. Rev. M. Putman was chairman. Dr. Bulgin's subject was "City Building."

Dr. Bulgin urged the business man, who in many cases has been taken as a model by some boy, to guard his conduct and set a good example. Careful attention should be paid, he said, to the morals of the younger generation.

Red blooded men that will hang together, money, material, market and morality are needed in the building of a city, according to the speaker.

Many opportunities go by when there are a lot of kickers in a chamber of commerce, Dr. Bulgin said. Advertise and boost this wonderful country, advised the evangelist. Every man in this town has an interest in everything in the community, he said.

A good clean-up twice a year was prescribed by the speaker as good medicine for a more beautiful community.

The cares and worries of conducting a business will be laid aside temporarily next Monday night when the annual chamber of commerce Christmas banquet is held.

Benefit Play Next Tuesday at Venetian

A full house is expected to greet the cast at the presentation of "The Patsy," three-act comedy at the Venetian theater next Tuesday evening. It is a benefit play given under the direction of the Grand Army of the Republic and the Women's Relief Corps.

The cast in the order of their appearance included Art Miltenberger, Mrs. Stannard, Miss Fanny Knigman, Miss Mildred McLeod, William Dierdorff and Tom Caldwell. Mrs. H. H. Stannard is the director.

The next case in circuit court here will be heard Monday.
