Senator Schulmerich Works **Out Plan For Taxation** Of The Automobile

The 1929 session of the Oregon legislature will open Monday and the entire Washington county delegation will be present to take part in the deliberations, which because of the many important problems com-ing up, is expected to last more than the regular 40 days.

Edward Schulmerich leaves Sunday for Salem as the county's state sen ator. Mr. Schulmerich succeeds Wil liam G. Hare, veteran legislator, who has been a power in legislative circles for years.

Have Joint Senator

The county also has the joint senator for the twenty-fourth senatorial district comprising, Lincoln Tillamook, Washington and Yamhill counties, for the next four years. Earl Fisher of Beaverton is the joint

R. Frank Peters and L. E. Wilkes of Hillsboro and Charles R. LaFol-lett of Cornelius will uphold the dignity of Washington county in the house of representatives. Mr. La-Follett is the only representative with previous experience. L. M. with previous experience. L. Graham and Mr. Schulmerich, other 1927 representatives, battled it out in the primaries for the sen-atorship with the banker winning

Thinks Plan Good

Senator Schulmerich has considerable thought to the solut of the automobile license probler that has caused so much discussio in recent months and he feels that he has evolved a plan that is almost perfect. Mr. Schulmerich would put all automobiles on the tax roll to solve the old and new car valuations, have a small flat license fee as is the case in California, have the sheriff of each county issue the license plates but not until the tax
