There are a great number of houses right here in Hillsboro that are not income-bearing because they are old and neglected. A good workman with a few boards, nails, wall board, shingles and paint could make them into desirable and profitable homes. Owners think it over, then come in and talk it over with Pool-Gardner Lbr. Co.

Do you need a good carpenter, plasterer, brick-mason, or painter? For information call 2691.
