8¢ an Hour!

That is All it Costs
To Plow, Disc, Harrow and Cultivate your small ranch, suburban tract, orchard, truck garden or vineyard with
Vaughan's Flex-Tred TRACTOR

From Texas to British Columbia, these powerful, one-man tractors are speeding up cultivation, are cutting costs and adding to crop profits because they do things big tractors cannot do and so where horses cannot go.

So powerful they pull a ten-inch plow! So fast, that owners regularly cultivate from 7 to 10 acres a day. So small they operate between berry rows or under trees, up ditches and over bumpy land that only one man can handle.

For literature, either write us or our distributors now.
