Mr. Vander-zanden suggested that an effort be made to secure aid from the state highway commission, as it was a general benefit because it would be a connecting link between the Longview bridge and the West Side Pa-

view bridge and the West Side Pa-cific highway. A number of residents from the north part of the county expressed the opinion that they were entitled to the construction on the ground that they had paid thousands of dol-lars in taxes and received nothing in return.

### Road Changed

Road Changed The discussion led to the question of the re-location of the highway north of Banks, where the survey calls for the elimination of the old right-of-way with its twists, turns and railroad crossings.
