town over good roads there will be created a better understand-ing between the people of the town and the country, according Remove Track

City Manager George McGee and City Attorney Benton Bowman were instructed by the council Tuesday evening to draw up an agreement with the Southern Pacific company to remove the tracks and pave on Sixth street to the road man, who said that all people paying taxes are entitled to roads. All roads, he said, should be passable before we get into the high class surfaces. The excuse for roads is the necessity. Roads must be available for use the year around, have good alignments and grades.

J. H. Garrett, chairman of the tracks and pave on Sixth street.

There will be a display of great interest to the Hillsboro people at the Methodist church next week, Tuesday, Wednesday, Thursday and Friday—an art exhibit, paintings of the great masters.

More than 150 pictures will be shown, pictures you will want to see and know something about, Reproductions of the most famous paintings in the world will be on exhibition.
