"TREES"

"I think that I shall never see
A poem lovely as a tree.
A tree whose hungry mouth is prest
Against the earth's sweet flowing breast;
A tree that looks at God all day,
And lifts her leafy arms to pray;
A tree that may in Summer wear
A nest of robins in her hair;
Upon whose bosom snow has lain;
Who intimately lives with rain.
Poems are made by folks like me,
But only God can make a tree."

Mr. W. C. Ruegnitz, president of the 4Ls, was the speaker at the chamber of commerce luncheon Monday and trees and the product of trees was the subject of his most interesting and instructive talk. The meaning of 4Ls? Loyal Legion of Loggers and Lumbermen.

Should Government Get Into Distribution In All Lines

The newspapers all over the country have been raising a tremendous cry because of the fact that the United States government furnishes printed envelopes to its customers at less than cost and because the printers over the country cannot compete with them. The papers have been maintaining that the government has no right to enter into competition with them.

Of course, the newspapers are wrong in this contention. The government is acting in the interests of the public in reducing the cost of living for everyone, is it not? By furnishing stamped envelopes for the power companies, public utilities of all kinds, banks, business houses, etc., the government is saving money for these great institutions and in turn you, dear reader, have noticed, no doubt, tremendous reductions in your light bills, telephone bills, grocery bills, etc. Have you not?

But let us try the case a little further. Admitting the right of the government to sell printed envelope return cards in competition with private printers, shall we take the next step with you who are buying your government printed envelopes? Why not have the government furnish the electricity at less than cost? Why not have the government operate the telephone system at less than cost? Why not have the government act as food and clothing distributors at less than cost?

Ah, but you say someone would have to pay for it all. True, brother, true! But how about these government printed envelopes which you are using to send out your monthly bills to the printers for electricity, telephone tolls, groceries, etc.? Doesn't someone pay for the loss there? We wonder why it is that the

GRADE SCHOOL NOTES

The Health club organized last week chose the following officers: Louise Frank, president; Dolores Theda, vice president, and Mildred Donelson, secretary.

The children of grade 5B have been working on a flag project. Twenty-one flags have been made and the nations which they represent will be studied.

A poster contest is being held on the subject of "Safety First" in the 7B and 7A reading classes. Winners will be announced next week.

The track teams of the grade school are out working hard to get in shape for the country track meet at Forest Grove May 6. The preliminary meet will be held on April 20 at the Hillsboro Union high school at 9:30 a. m. for this district. Warren B. Barnes is manager of this district.

The 4H club boys and girls had a very enjoyable group meeting last Thursday. Dick Kinder of

Corvallis, acting state club leader, and Mr. Cyrus, assistant county agent, met all the 4H boys and girls of Hillsboro. Four clubs reported 100 per cent. Already two clubs led by Hazel Blades, one boys' cooking club, led by Mrs. Lee, and a girls' cooking club led by Mrs. Matteson, have made this record. Mr. Kinder gave a splendid talk on club work, commending Hillsboro on achievements of last year and thus far this year. Mr. Cyrus made plans to meet those interested in stock judging Saturday morning for actual practice. 4H members sang several songs and gave yells. We are striving to make every club 100

per cent this year. Local leaders attending this meeting were: Mrs. Stanton, Mrs. Mooberry, Mrs. Krueck, Mrs. Melhuish, Mrs. Thompson, Miss Herman and Miss Meredith.

The Red H club enjoyed a swimming party at the Broadway natatorium Friday night. Mr. Bose took them to Portland in his bus. The party was chaperoned by Miss Retia Meredith. Those attending were Sylvia Johnson, Velma and Georgia Hines, Maybelle Sanders, Martha Johnson, Mildred Donelson, David Combs, Ambrose Chotti, Drexel Thrapp, Art Hanna, Roland Kelly, Richard Davis, Donald Batchelor and

Donald Kerns. Outside guests of the club were Margaret Newton, Dorothy Rood, June Sanders, Evelyn Bates, Robert O'Brien, Jack Weik and Chester Bates.

"The Safeway Man is different from the grocer I used to know"

"The Safeway Man knows the answer to almost every question about the foods he sells," a customer said, "and his suggestions often give me a new idea for something to cook or serve. I have come to depend on him for all sorts of little shopping helps, such as wrapping my parcels conveniently, helping me in the car with them and a host of those little things the old-fashioned grocer seemed too busy to think of."
