Phoenix Flyer To Be On Show Here. The Phoenix Flyer, Model A Ford No. 1293, which broke all road records for the run from Los Angeles to Phoenix and return, is being displayed in Hillsboro Friday from 9 to 9 p. m. by the MacKenzie Motor company, local Ford distributors. Model A Ford No. 1293 is a tudor sedan, yet it lowered the record between these two cities by nearly two hours and set the unprecedented average speed to Phoenix of 58.26 miles per hour. In view of the fact that the previous record had been established by an open car especially prepared for the run, the sensational dash of the strictly stock sedan is even more impressive. It was driven by amateur drivers, who were none too familiar with the road, and who had never had experience in fast road driving. The entire 916-mile run was made without mechanical repair of any description, although at times the roads were so rough that the occupants were thrown from their seats, and within a few hours the car was subjected to more severe shocks and strains than the average car would encounter in its entire lifetime. WILBUR BERNARDS. Wilbur Bernards, 4, son of Mr. and Mrs. Martin Bernards of Verboort, died at the Jones hospital here Wednesday afternoon. Pneumonia following an appendicitis operation was given as the cause of death. The body is at the Burns Mortuary at Forest Grove, but funeral arrangements had not been made at the time of going to press. Report Fees. Fees and fines collected by County Clerk E. C. Luce in July amounted to \$124, according to a report filed with the county court.
