to Portland, where they took the train. Mr. and Mrs. H. A. Stohler and son, Mr. and Mrs. W. L. Moore and C. W. Moore drove to Beaverton Sunday to attend the funeral of Mr. Stohler's father at the Pegz undertaking parlors. Interment was in the Crescent Grove cemetery, near Beaverton. The legion auxiliary met Wednesday evening at the H. A. Stohler home. The R. N. A. card party Thursday evening was well attended in spite of the cold weather, 13 tables being in play. Honors for the ladies were won by Mrs. Gunther and Madeline Dietrick, and those for the men by Casper Wilson and Orville Reynolds. A. E. Johnson, driver of the Banks-Portland truck, is now bringing the Portland evening papers, which are distributed by David Wilson. The arrangement was made since the discontinuance of the afternoon train. Dinner guests at the H. Smith home Sunday were Mr. and Mrs. Lloyd Schraemel, who have returned from Tillamook, and Mrs. Harold Banks and son of Sherman's mill. Mrs. J. H. Hulet of Beaverton visited friends here Saturday and attended the Rebekah convention.

Four Degrees Above Reported At Kinton

Kinton.—From cold spells of former winters these having water supplies installed in their homes and outbuildings were wise enough to shut it off during the cold spell of the past week, in consequence of which there has been no reports of any great trouble with water pipes in this community. The lowest register of the thermometers around here has been four degrees above zero, and that is plenty cool for Oregonians.

Pohnona grange of Washington county will meet with Kinton grange this coming Wednesday in all day session, beginning at 10:30 in the morning. A grange dinner will be served at noon. The Pohnona of fifth degree will be exemplified on a class of candidates in the evening. George Kinber and daughter, Miss Vera, who have been making their home for the past few months with Mr. and Mrs. Warren Wilson, moved to Beaverton the first of last week, where they will make their home for the present. One of the latest Ford cars made its appearance on the highways around town the first of the week. It was a four-door town style sedan. The owner is S. H. Pomeroy.

Regular Sessions at Church Thinner Every Day

Regular sessions at the church for Sunday will be as follows: Bible school at 9 o'clock in the morning followed by preaching by the pastor, Rev. F. E. Fisher, at 11 o'clock. Mrs. Harrison of Beaverton, who has been employed as nurse at the home of Mr. and Mrs. Floyd Bierly, for the past two weeks, returned to her home last Thursday. Herman Dallman, who has been employed in a logging camp near Sheridan for the past few months, returned to the home of his parents, Mr. and Mrs. A. H. Dallman, the last of the week, where he will remain until the weather is more settled. S. Pomeroy and Mrs. Robert Pomeroy were transacting business in Multnomah and Beaverton Saturday. There has been quite a lot of sickness around town during the past week, but in most cases it was caused by bad colds and those who were ill are improving. Miss Mable VanKleeck, who spent a few days last week with relatives in Portland, returned last Thursday to the home of her mother, Mrs. Louise VanKleeck. Mr. and Mrs. Glen Snider of Lake Grove were Sunday visitors at the home of Mr. Snider's parents, Mr. and Mrs. J. C. Snider. A. McEwen, who has employment on the S. H. Pomeroy ranch, spent Sunday with his family in Portland. Miss Luella Dallman spent a few days last week with her sister, Mrs. Chris Enahnit, at Rockwood. Mr. and Mrs. Edward L. Cox were transacting business in Hillsboro last Thursday. Miss Eunice Ellen Snider, daughter of Mr. and Mrs. George Snider,

She's Getting Thinner Every Day

Her Fat Is Melting Fast Away. All over the world Kruschen Salts is appealing to girls and women who strive for an attractive, free from fat figure that cannot fail to win admiration. Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses. Every morning take one-half teaspoon of Kruschen Salts in a glass of hot water before breakfast. Be sure and do this every morning for "It's the little daily dose that takes off the fat." Don't miss a morning. The Kruschen habit means that every particle of poisonous waste matter and harmful acids and gases are expelled from the system. At the same time the stomach, liver, kidneys and bowels are toned up and the pure, fresh blood containing Nature's six life-giving salts are carried to every organ, gland, nerve and fibre of the body and this is followed by "that Kruschen feeling" of energetic health and activity that is reflected in bright eyes, clear skin, cheerful vivacity and charming figure. Get an 85c bottle of Kruschen Salts at the Hillsboro Pharmacy or any drug store (lasts 4 weeks) with the distinct understanding that you must be satisfied with results or money back. One Montana woman lost 19 pounds of fat in 4 weeks and feels better than she has for years.—Adv.
