## Cited As Cause Economic Woes

Montaville Flowers Talks Before Large Audience

### Farmers Addressed

De-centralization Seen

was pictured as the basis of the world's present economic woes by Montaville Flowers, radio speaker and founder of the Western Merchants & Manufacturers' association, in an address before approximately 1,000 persons in the Hillsboro union high school auditorium. Mr. Flowers addressed his remarks to the farmer.

Changes Cited

"The outstanding change of the times is the drift toward centralization, the making of one out of nany, in all economic and social roblems," given the making of one out of nany, in all economic and social roblems," given the making of one out of nany, in all economic and social roblems," given the making of one out of nany, in all economic and social roblems," given the making of one out of nany, in all economic and social roblems," given the making of one out of nany, in all economic and social roblems," given the making of one out of nany, in all economic and social roblems," given the making of one out of nany, in all economic and social roblems," given the making of one out of nany, in all economic and social roblems," given the making of one out of nany, in all economic and social roblems," given the making of one out of nany, in all economic and social roblems," given the making of one out of nany, in all economic and social roblems," given the making of one out of nany, in all economic and social roblems," given the making of one out of nany, in all economic and social roblems," given the making of one out of nany, in all economic and social roblems, and thillsboro in the deal wars will be hon-dailor dat of all wars will be thon-dailor dat of all wars will be hon-dailor dat of all wars will be hon-dailor dat a patriotic program in the local of all wars will be hon-dailor dat and patriotic program in the local of all wars will be hon-dailor dat of all wars will be hon-dailor dat and patriotic program in the local of all wars will be hon-dailor dat and patriotic program in the ventian theater Saturday, beginning at 10:15 a. m. ### Are Sold in Hurry

Louis Herboldt of near a reputation as a grape grow-er, had 20 sheep and lambs and four young brood sows that he wanted to sell. They were all sold immediately aft-er the advertisement was first published in the great

market place of Washington county—the classified section of the Hillsboro Argus.

Phone, write or call in person and make this service available in turning odd things about your home into cash. There are many prospective buyers among the pective buyers among the readers of the Argus and careful reading of the ad-vertising in Washington county's official paper will pay for the year's subscription many times over.

For a number of years the services were held in a log school house located on the land now owned located on the land now owned by Vivian French near where their beautiful home stands. It was dur-ing the pastorate of the Rev. Joseph Hoberg in 1871 that the first Sun-day school was organized. At that time the pastor lived in Hillsboro, it being on the Hillsboro circuit. In 1920 Rev Hoberg visited the church and preached on his ninety-first birthday. He rejoiced in the progress of the Sunday school and that he was able to visit it after 50 years from its organization.

50 years from its organization. The history of the church goes back to the time when the Tualatin valley was a forest and travel was

back to the time when the Adalawas of treat was a forest and travel was limited to horses and caddle-bags. Mud was often knee-deep in June. But knee-deep mud was not the most trying hardship in those days. Men were not rich except in faith and energy. To build a most popular girl student on the future state and to make a home was their chief desire. Religion must have a place in the building was their chief desire. Religion must have a place in the building paper.
