.80с пининининининининини MARY LOU **GOES SHOPPING**

She is only eight, but, even at this tender age Mary Lou is a daily customer at the neighborhood stores. Perhaps it is a package of crackers, and a pound of coffee at the grocer's. Perhaps it is some tooth-paste or toilet soon at the drug store. soap at the drug store.

Of course Mary Lou doesn't decide on what she is going to buy. Her mother writes a list— this brand of crackers, this brand of coffee, this make of tooth-paste, this kind of soap. She knows the prices, and gives Mary Lou just enough money with an extra penney or two, perhaps, to spend for herself

Buying is just as simple and easy as that because of just ne thing-Advertising.

Advertising has given all of us a lot to be thankful for.

Because of advertising, peop Texas know about and buy Michigan motor cars. People in New Hampshire buy oranges raised in Florida and California Because of advertising, merchants and manufacturers are forced to improve their products. It has standardized quality. It has increased consumption and thereby lowered costs. It pro-motes competition and thereby keeps dealers and merchants wide awake to secure for you the most for your money.

But best of all it writes "Finis" on the business career of any merchant or manufacturer who attempts to fool the public or give them less than value re-
