

Red Cross Chapter Adds New Directors

Mrs. Harvey Batchelar of Hillsboro and Mrs. C. A. Broderick of Forest Grove were elected on the board of directors of the county Red Cross chapter at its meeting Wednesday evening in the chamber of commerce rooms, thus enlarging the board in the two big centers of the county. Mrs. Batchelar has served as secretary of the chapter for several years and Mrs. Broderick as a director.

President W. F. Norman appointed roll-call committees for the two towns as follows: Hillsboro, Mrs. McKinney, Mrs. E. L. Moore, L. C. Cady and Mrs. Batchelar; Forest Grove, Mrs. Dorothy Seymour, Miss Marjorie Forth, Mrs. W. R. Roberts, Mrs. Omas Pendahl, Mrs. Rex Wilson and Mrs. Broderick. Mr. Norman said that as half the county quota came from these places, he deemed it necessary that the committees make their plans at once for the opening of the membership roll-call on Armistice Day. Other roll-call committees will be appointed by Mr. Norman soon.

Directors were present from Beaverton, Sherwood and Tigard. Miss Bigelow, western field representative of San Francisco, who spent several days here this week, was present and spoke on the roll-call work. "Service insures success," said Miss Bigelow, and urged the committees to plan ahead for any emergency that may arise. She cited the fact that the national roll-call increased last year, that Oregon made a record, and that Washington county moved up from the 18th place to the 13th place in the state's quota.

Miss Bigelow said that nearly half of the 50 cents from each dollar which went to the national relief fund this year went to disaster relief. She cited the Nome disaster and the wonderful work done there by the Red Cross in aiding the victims. She praised the work which is being done in first aid and life saving, saying that 72,000 had become life savers during the past year. She also told of the splendid work being done by the Junior Red Cross in the schools.

Mrs. Warrens reported on the work done by the 14 women employed in the Red Cross SERA sewing project, and Miss Margaret Dixon reported that the CCC camp at Westlimer is in need of books for a first aid class. The chapter voted to buy the books for the camp, which is said to be the only camp in the state composed entirely of Oregon boys. The chapter also voted to send \$25 to the Nome disaster fund.

A regional conference will be held in Portland on October 22, beginning at 9:30 at the Portland hotel, at which Don C. Smith, national director of war service of Washington, D. C., will be the principal speaker. Other national Red Cross workers will also speak at the conference. Mr. Norman urged that this county, including fourteen counties will be represented.

Girls' Club Hears SERA Worker

"No one can carve out a career except as they are able by the sharpness of the tool of their character and their physical make-up," said Mrs. Helen Hamilton, executive secretary of relief work in Washington county, speaking at the first quarterly meeting of the girls' clubs of the Hillsboro Christian Council at the Pilgrim House Wednesday night. "The social worker," said Mrs. Hamilton, "must ever be on the watch for the background of the problem of relief, as related to the client's physical and mental qualities," as she urged the girls of the clubs to make the most of their education today, so as to build up those qualities in themselves.

Officers newly elected were installed, and new pledges received by Council Adviser Henry S. Haller during the evening. The same evening will take place this evening for the boys' clubs with the Rev. Ralph Wisecarver, Episcopal vicar, speaking. Vikings' chapter will

hold a short business meeting after the general meeting. "Rose" by Stark Young is a novel of the South just before and during the Civil War. Reviewers say "There has never been a novel of the South in the Civil War that can compare with it. Every character is alive." For many who thrill to light romance has come "Turning Tide" by Sarah Bassett. "The Frolic" by Susan Ertz is a quiet, matter-of-fact narrative of the pioneer period of Brigham Young's colony told with just appreciation of Mormon aspirations and achievements, but with little romanticism. Each year we look forward to the books by Pulitzer prize authors. Thomas Stribling, who won in 1932 the prize with "The Store," has this year brought us "Unfinished Bedstead"—Librarian.
