

### Tigard P. T. A. Plans Session

#### Tigard Eleven Noses Out Win Over Estacada

(By Curtis Tizard)

TIGARD—Tigard Parent-Teacher association will hold its meetings the third Wednesday of each month at 2:30 p. m. at the Tigard grade school, according to plans made October 16. Over 100 were present at the evening meeting, Paul Patterson, prominent Hillsboro attorney, gave a comprehensive report and discussion on the 20-mile tax limitation bill, showing just what effect it would have on the two Tigard districts. While he was in favor of reduced property taxes, still he did not feel that this was the proper way, especially at the expense of the schools. The association voted to take up welfare work in the school as a project for the year. In this connection, milk and clothing will be furnished where it is needed. Rev. S. R. Smith gave a report on the 4-H club work which the association is sponsoring. Max Lewis and Maurice Adams, accompanied by Miss Lola Gooding, played two musical selections. The well introduced evening was concluded by serving doughnuts and cider.

**Person Speaker**  
Ted P. Cramer, secretary of the Oregon Bankers' association and J. M. Person, Washington county housing chairman, were the guests at the Tigard Lions club October 15. J. O. Johnson, local chairman, advised that funds are now obtainable. Rev. Timothy Watson, deputy district governor, visited Rainier club with a delegation of Tigard Lions October 16.

A private dance sponsored by the social committee of Tigard Odd Fellow lodge, was held Friday evening at the I. O. O. F. temple. The regular old-time dance given every two weeks is next Saturday.

Russell, Lewis and Edward Robie, all of Los Angeles, were guests of Mr. and Mrs. E. L. DeHaan last week. Russell and Lewis Robie are spending several weeks at Roseburg before returning south. Edward left last week.

**Damage Slight**  
No serious damage was reported in the Tigard vicinity as the result of the sweeping storm that raked Oregon last week-end. Some trees were blown over, but did not cause any damage. Lights were on in this vicinity during the entire storm. The terrific wind helped harvest the walnut crop that was not already picked. Corn patches were flattened, like pancakes.

Students of St. Anthony school put on a three-act play Saturday and Sunday evening at the school auditorium. It was entitled "It Pays to Advertise."

**Loss Plaque**  
Tigard Christian Endeavor October 15 elected delegates to the C. E. convention at Beaverton. Young

people and intermediates have formed until there are enough members to reform the two societies. Tigard lost the achievement plaque to Bethel.

**Juniors Sponsor Sale**  
Junior class of the high school is sponsoring a pie and cake sale to raise funds for their page in the annual year book. A dance has been planned by the senior class for November 2. Senior class was ahead in the student body ticket drive with a 100 per cent. Freshmen had 76 per cent.

**Tigers Win**  
Football team of Tigard high school manager to beat out Estacada Friday afternoon on the local field by the score of 14 to 12. Making the two try for points was all that saved the game from ending in a tie. Estacada and Tigard fought to 0 to 0 the last year at the visitors' field. Two passes accounted for both touchdowns for Tigard. A pass from Goldhammer to Sims in the second quarter resulted in a touchdown. Goldhammer threw a pass from Goldhammer to Carson. Tigard's conversions were the result of a kick and a trick play. Several of the regulars were accounted for by both teams. Clatskanie trounced the Tigers last week 19 to 0 at Clatskanie, but were present for the game. If Coach Smith can get his regulars back into lineup, the Tigard team will give their opponents plenty of fight.

**Making over a 400-mile trip** in one day Mrs. Elizabeth Vincent, Viola and Evelyn McDonald and Art Vincent left Klamath Falls in the morning, visited Crater Lake, came over the McKenzie Pass, went to Marcola to visit and got home the same evening. They were visiting with Mrs. W. S. McDaniel, a sister of Mrs. Vincent.

Tigard Grange officers are practicing about half of the regular meeting at Sherwood November 2 when a grange officers' seating contest is being staged. The well is going to be worked over and a bigger reservoir made at the bottom. Grange met Thursday.

### Banks Student Play Selected

#### Lights Out Result Storm on Sunday Morning

(By Mrs. Fred Wolford)

BANKS—"The Thirteenth Chair" has been selected for the annual student body play of Banks high school which will be coached by Miss Alice Lane. The play is a three-act murder mystery written by Bayard Veiller. The cast includes Mary Casson, Raymond Gunther, Tilly Knorr, David Wilson, Walter Jesse, Marie Rieben, Rita Cop, Etta Vincent, Arthur Vandenberg, Wayne Shippy, Leonard Fowler, Patricia Jensen, Earl Groat, Miriam Maxwell, Harry Seabold, George Thompson and Billy Best.

They are Jack Seabold, Harry Seabold, Mae Casson, Wilma Bailey, Marie Rieben, Charles Sullivan, Erma Vandenberg, Howard Reppeto, Etta Bailey, Lucille Rutherford, Evelyn Rineck, Satoru Sunamoto, Vera Reppeto, Rita Cop, Jack Seabold has the highest honors of the list, having three "ones" to his credit.

**Superintendent to Speak**  
Rev. and Mrs. E. M. Tilton of Yamhill visited Sunday school Sunday morning. Preaching services were held following Sunday school. Next Sunday church services will be held at 7:30 p. m. Dr. Louis Magin, the M. E. district superintendent, will be the speaker of the evening. Quarterly conference will be held in the afternoon at four o'clock.

**Wind Causes Damage**  
Banks was without electricity Sunday as the result of the wind, rain and electrical storm that occurred in the morning. The large oak tree on the lot occupied by the Boy Scout cabin was blown down by the wind. The tree with its large limbs fell near the cabin and it seems almost a miracle that the cabin was not damaged at all. A large limb fell on the electric wires causing them to break. Sunday school children were guided past the place which for a time was very dangerous. The tree, a venerable oak, was hollow and occupied by bees. The honey was so mixed with water and rotten wood that it was not worth saving.

**Cop Bays Mar Place**  
William Cop has purchased the A. F. Marr property on Main street. The family moved into their new home last week from the W. L. Moore farm, where they have been living. Three other families have also moved into Banks the past week.

Mrs. Tom Engen of Vernonia spent a few days in Banks last week visiting friends.

### ELECT

**J. W. RAYNARD**  
Democratic Candidate for STATE REPRESENTATIVE

I have lived on a farm in Washington County, Oregon, continuing for forty-five years during which time I was manager of a local farmers' telephone company for about ten years.

I shall not make a lot of promises which I know cannot be fulfilled for the purpose of securing votes, but do make one promise and that is that, if elected, I shall give my full time and attention to the duties of the office and will support any measure or measures designed to lessen or more equitably distribute the burden of taxation.

I believe in the principle of an Old Age Pension, but also believe that it should be financed by some means other than a tax on real and personal property.

I believe the so-called Milk Bill passed by the last Legislature is a move in the right direction but I believe it should be strengthened. I believe the producer should receive a greater portion of the price paid by the consumer than he now receives. Out of the recent increase in the price of milk, the producer has not received his just share.

Oregon has the Income Tax, the Intangibles Tax, a Gift Tax, and other forms of indirect taxation. I believe the various forms of income taxes should be strengthened to the end that real and personal property shall bear less of the burden of taxation. I also believe that to increase the salary of public officials and employees, I am opposed to such movement. I believe that public officials and employees receive greater pay for their services than the pay of our farmers and producers.

I desire to see Oregon benefitted in every way possible in connection with the construction of the Bonneville Dam but I do not believe this is the time to burden the State of Oregon with a great bonded indebtedness until it is definitely determined what we may expect from the Federal Government in the distribution of electrical power and energy in the State of Oregon generated at the Bonneville Dam, bringing to every manufacturer, every city dweller, and every farmer its benefits on equal terms.

### Bigger Share for Producer Wanted

Strengthening of the milk control law is advocated by J. W. Raynard of Scholls, democratic candidate for state representative. He feels that the producer should receive a greater portion of the price paid by the consumer than he now receives. The candidate declares that the producer has not received his just share out of the recent increase.

Raynard has also taken a stand for the strengthening of the income taxes so that real and personal property shall bear less of the burden of taxation. He also favors the old age pension, provided it is financed by some means other than a tax on real property.
