### DEFEAT THE HEALING ARTS CONSTITUTIONAL AMENDMENT!

Every person in Oregon is vitally concerned in the proposed "Healing Arts Constitutional Amendment" which will be on the ballot at the general election November 6.

Under the fictitious claim of preventing "MEDICAL MONOPOLY," this vicious Healing Arts Constitutional Amendment is proposed by healing "cultists" and others having selfish interests, in order to destroy the effects of the Basic Science Law passed by the last Oregon legislature. It also is designed to destroy the high standards maintained by our Oregon hospitals, and to rob the State Industrial Accident Commission of its power to properly administer, the ever efficient Workmen's Compensation Act.

This Amendment is a direct attack against Oregon's enviable health standards and low rate of mortality. It challenges the self respect and common sense of every person who has the welfare of this state at heart.

Every voter in Oregon should make it his or her business to appear at the polls on election day and vote "NO" against the Healing Arts Constitutional Amendment.

## Vote 305 X No!

Against the Vicious Healing Arts Constitutional Amendment

Tigers Have Full Strength for Critical Game

Miss Doris Sackett, daughter of Mr. and Mrs. Robert Sackett of Tigard, was chosen song queen for the alumni rally week-end at Linfield recently.

(By Curtis Tigard)

TIGARD — In one of the big games of the county this week, Tigard high will meet Forest Grove there for Tigard's first county encounter. Tigard has had a two weeks' rest period in which to have their injured and sick men recuperate and expects to have its full strength in the field. Comparative dope would favor the Tigers if earlier scores are indicative, for Tigard defeated McMinnville in the first game of the season 13 to 6 while McMinnville took Forest Grove's measure. If weather remains dry, Tigard might be expected to put on a show in the air which will mean touchdowns.

Officers of Tigard Grange will compete in the officers' seating drill contest to be held at the grange district conference at Sherwood Friday night. A large poplar tree that stood next to the Grange building and which hung over the highway, was removed by the telephone company last week.
