

Tigard Group Plans Bazaar

Ladies' Aid Affair Friday; Booster Night Held

(By Curtis Tizard)

TIGARD—Ladies' Aid of the Evangelical church are holding their chicken dinner and bazaar Friday, at the Tigard grange hall with the supper at 6:30 p. m. The bazaar starts in the afternoon with all kinds of fancy work and goods to be sold. A program will be given during the evening.

Home Visit Sunday

Odd Fellows and Rebekahs are planning on a visitation to the I. O. O. F. home in Portland Sunday afternoon. A program that was recently put on at the local hall with great success will be put on for the benefit of the residents of the Home. Rebekahs will be the largest district at the bazaar. The degree team performed and members put on several demonstrations.

Mrs. M. Mullins and Mrs. A. Gregg entertained the teachers of Tigard high school at the Estacada club house November 3.

State Master Speaks

Tigard Grange held its delayed booster night program November 7 at the local grange hall before a crowd of over 100 grangers and friends. A pot luck supper was served at 7 o'clock and a program given in the auditorium after the meal. Officers repeated their drill which won second place in the drill contest at the Sherwood conference. State Master, J. W. Taber, national grange master, Ray Gill, state grange master, spoke on the relations between grangers and the people on the outside. Roy Hewitt related various experiences to show how people are living. Mrs. Jeanette Cramer Mas, Oregon state economist, who resides in Tigard, spoke on home economics and its relation to home making. Miss Virginia Jensen played several selections on the piano. George Hosking sang. A song and dance stunt was put on by Maxine Meyer and Mary Foley. Kathleen Ramsey gave several of her humorous readings. W. Cyrus gave a talk on agriculture and its relation to the grange. Several other speakers were present, including Clara McDonald, Virginia Parks and James Copeland.

Tigard Wins

Ever since the brilliant upset to McMinnville the Tigard high school football team has been beset by injury and sickness to its players. The full strength of the team has been in the field for one game since, and with the injury of Goldhammer, star quarterback, Tigard's hopes are not too high in its coming game Friday, November 23. Goldhammer was injured on practically the first play in the Newberg game Friday in which they were defeated. The mainstay of the Tigers' passing attack, a pass from Carson to Sims netted the lone touchdown which beat Newberg.

St. Anthony held its annual bazaar Friday, Saturday and Sunday at the school auditorium. A club has been organized by the public speaking class of the high school with officers as follows: Earl Smith, president; Dorothy Upchurch, vice-president; Thomas Fisher; Virginia Jensen, secretary; Howard Beckham, treasurer. The class has been divided because it is too big.

now face the future with increased security, renewed hope and better prospect of working their way out of debt. The paralyzing threat of wholesale foreclosures has also been largely overcome.

Now that they have gained this benefit, borrowers are showing their good faith by meeting their installment payments promptly when due in order to preserve their credit standing and fulfill their responsibility as stockholding members of this permanent co-operative credit system. out to Baumgartner on the Hillsboro 40 and the latter returned it to the 30 A series of line plays and a pass. Moore to Baumgartner placed the ball on the Hilhi eight-yard marker but again Hilhi held for downs.

Holscher's attempt to punt to safety was short and followed on the 21-yard line. Tillamook again opened an aerial attack which was broken up when Peschka, Hilhi guard, intercepted a pass on the 33-yard line and returned it to the 13. A 15-yard penalty and a flying yard loss on a fumble set the locals back to their own 17 and Patterson kicked out to the Hilhi 42-yard line. Passes carried the ball to the Hillsboro 29 but Patterson broke up the threat by intercepting a pass on the 15-yard and making a seven-yard return. Hilhi then worked the ball out to safety and the game ended with the completion of a five-yard pass from Baumgartner to Hofelt on the Hillsboro 20-yard line.

Hilhi got the jump on the "Cheesemakers" in the opening moments of the game and played inspired ball to outcharge and outscore the highly touted visitors. Hillsboro gained 208 yards from scrimmage to 129 for Tillamook. Hilhi lost 24 yards from scrimmage to 16 for the visitors. Tillamook attempted 17 passes, three of which were intercepted, eight fell incomplete and six were completed for a total of 61 yards. Hilhi attempted 37 passes, completing three for 59 yards. Only one was incomplete and two were intercepted.

Tillamook made five first downs to nine for Hillsboro. The visitors' first down came from passes, two from line plays and one as a result of a penalty. Hilhi made seven from line plays and two from passes. Both teams fumbled four times. Tillamook recovered three and Hilhi two. Hillsboro was penalized a total of 50 yards while the "Cheesemakers" had a clean slate in this department.

Cook, Bronleewe and Patterson started in the backfield for the home team while Torbett turned in a credible performance as blocking back in the line. Samsel, Grogan, Peschka, Wonderlich and Mohr were outstanding. Tillamook pinned the offense on Baumgartner, Braden and the younger Hediger in the absence of Goldhammer, fleet backfield ace, who was out of the game with a broken foot.

Hilhi will meet the Tigard football team on Friday at the gymnasium on the Tiger gridiron. Both teams rate at the bottom of the county race and both will be primed to break into the field column. The local team will leave here at 1:15 p. m.

to bring creative effort before young people.

Suggestion that facilities provided in local schools could be used in a program of providing recreation for adult groups was given by Bovard. He declared that a synthetic understanding of the recreation problem could be fostered through a central organization of groups interested in such a program.

That recreation programs for the various age groups in a community should be considered separately was the opinion expressed by the speaker. Groups to be considered were the pre-school group, pre-adolescent, upper grade school group, high school groups and adult groups.

Preceding Bovard's talk, Parent-Teacher committee chairmen reported on activities. The musical program consisted of two songs by G. Russell Morgan accompanied by Mrs. F. J. Sewell.

Approximately 50 persons attended the dinner sponsored by the local association. Mrs. J. M. Person, president, presided and Richard E. Wiley, acting president of the Rotary club, acted as chairman. Short talks were given as follows: George McGee, "What I Expect my Boy to Get from the Hillsboro Schools"; Mrs. C. E. Wells, "A Mother Then and Now"; and W. Vern McKinney, "Hillsboro Schools When I was a Boy."

same rate as during the first ten months, \$2 will be killed, making the total for the year 301.

Sponsors of the "Let's Quit Killing" drive pointed out that turning right on wrong traffic lanes, the speed violation under study during the current period of the campaign, accounted for 17 per cent of all accidents recorded in Oregon last year. Elimination of accidents from this cause alone would have prevented approximately 2500 accidents recorded so far this year, they believe.

Procedure outlined by law for making right and left turns provides that left turns be made only from the lane of traffic nearest the center line of the street or highway, and right turns from the lane nearest the right side of the street or highway.

Third prize in the jingle contest was awarded to Shirley Roberts, 304 Pacific avenue, Forest Grove, for the following jingle:
