REAL CHEER TO YOU
How can a babe be born without a human father? So Mary the Virgin asks as Gabriel the angel tells her she is to become a mother—she who in that sense was a stranger to any man.

The angel answered, "The Holy Spirit shall come upon thee, and the power of the Highest shall overshadow thee: therefore also that holy thing that shall be born of thee shall be called the Son of God." This Holy Child there was to be human on its mother's side, with all the human urge to sin, and God on the Father's side. To be tempted and yet sinless. The only person ever born into this world without a human father. Two natures in one person; God and man. "For in Him dwelleth all the fullness of the God-head bodily."

So God prepared a body for Him and Mary brought Him forth to the birth; He lived his holy life, died for sinners and ascended back to glory.

And now mothers of today, what of your boy? Will he be a strong tower? Will he take on spiritual gifts in the uplands of God? Up where "My faith looks up to thee," with acknowledgment and confession of sin? Will he be of that little band that dares to do right in a day when he might side-step the right to escape trial and loss?

If Mary's Son, God and man in one, is born in your home as Saviour and Lord—then real cheer to you.—George N. Taylor, Beaverton, Oregon.—Paid adv.
