**Mrs. J. T. McCann, Mrs. Rose Murray, Mr. and Mrs. C. W. Larkin,**

**Miss Margaret Dixon, county nurse in her March report stressed the need for attention to general health as well as the combating of the more virulent diseases. In her report, which 1934 she says: "Health of school children with particular emphasis upon early discovery of tuberculosis, consumed the major part of March. Twenty-five schools were visited and 40 returns were made."**

**"Eighteen meetings were addressed, principally upon the subject of tuberculosis control, and plans were made for school tuberculosis testing of children attending Hillsboro, Mountainside, Groner, Midway and Cooper Mountain schools.**

**"Children tested totaled 842, approximately 3 per cent showed positive, but the number actually beginning disease cannot be calculated until X-ray pictures have been interpreted by a qualified physician."**

**"Two trips were made to Salem; the first time with physicians of the county, the second with school teachers and members of the association to attend the annual well-rounded diet, outdoor work or outdoor recreation, periodic inspection with subsequent following of order and condition of defects and utilizing the discovery of science for the prevention of such diseases as small-pox and diphtheria are invaluable as a procedure for the attainment of good health. If each of us could have as our guide a happy outlook on life with the determination to be well, to keep well and to guide the children with whom we come in contact in time we might approximate something known as public health."**

**LOST YOUR PEP? HELP GET IT BACK**  
Don't Let Avoidable Stomach Liver, or Kidney Disorders Rob You of the Joy of Living

Your "pep" is the measure of your physical condition. Upon it depends much of your success and enjoyment of life. Thousands are today gaining wonderful help in the return of that glorious feeling of health and vigor by use of Williams' S. L. K. Formula. This remarkable prescription was selected by a druggist from literally thousands written by physicians. It was one which he noted was refilled year after year. So remarkable were the results reported by sufferers that he gained permission from the physician to have this formula compounded for the use of the public generally.

Many of those most enthusiastic in their praise of Williams' S. L. K. Formula had been to hospitals and specialists without satisfactory results. C. E. Jeffries, Neesho, Mo., writes: "I spent \$1,100 trying to get relief from my indigestion and stomach trouble but had to live on a liquid diet. After three bottles of Williams' S. L. K. Formula I felt like a new man and could eat anything I wanted."

Williams' S. L. K. Formula is recommended widely for stomach, liver and kidney disorders as associated with dyspepsia, biliousness, gassy stomach, distress after eating, heartburn, sour stomach, constipation, neuralgia, rheumatism, lumbago and general weakness. Ask your druggist about this wonderful preparation today. Williams' S. L. K. Formula is sold by Delta Drug store and they will refund your money if you are not delighted with the results—Adv.

**LOANS IN AMOUNTS OF \$100 to \$2000 FOR MODERNIZATION OF HOMES FARM BUILDINGS FENCING and IMPROVEMENTS**

You are invited to consult with us about information and advice on renovizing problems.

Under terms of the Federal Housing Act we make loans in amounts of \$100 to \$2000, depending upon the cost of your proposed renovizing job and your ability to repay. The loans cost approximately \$5 per year for each \$100 and repayment is arranged in monthly installments over period of from one to three years.

There MODERNIZATION LOANS are not based on the value of your property but on your own character; a good credit record and adequate regular monthly income being the chief requirements.
