CHAPTER VII The Scented Lipstick Vance's declaration left us both perturbed and mystified. Markham

was the first to speak.
"Are you certain, Vance? Maybe you overlooked—" Oh, no." Vance made a gesture finality. "It wasn't there-oh

duite. Some one put it there after "d examined the chest." "But who, in heaven's name?" "Come, come, Markham." Vance niled grimly. "One doesn't know

y know. But I'l say it was the same person who tucked the dag-ger under the cushion of the chair

which Archer passed away." "The dagger?"
"Yes, yes—the dagger. That mystery is at least cleared up— the poker explained that incongruity. The dagger didn't belong in Archer's boudoir. Quite the contr'ry. Its presence there confused me ab-ominably. Both the poker and the er belonged in the library And they weren't here, d' ye see-they were where they shouldn't been, where they couldn't pos sibly have been. . . A gap—a mis-hap—a bit of superficial thinkin' on some one's part. Panic? Yes, that's what it was. Movin' things from one place to another. Silly idea. People always think that by

movin' things they can confuse an ssue. More often they merely clari-

"I'm glad you see some clarity at the doc in this damnable situation," Mark-apologetic.

"Oh, but I'm not blinded by any

dazzlin' illumination yet. I won-

The sergeant projected himself irascibly into the discussion.

"If some one did cache the dagger and the poker upstairs, who'd have had the opportunity? That's

hat I'd like to figure out."

passed back and forth before the room while we were downstairs."
Heath thought a moment.
"That's right. And then do you remember how that Miss Lake rushed to the chair when she first came in the room and put her arm back of the corpse? She coulda stuck the dagger under the seat."

"Practically appeted holder and passed back and forth before the wastepaper basket in this room man and put her arm back of the corpse? She coulda stuck the dagger under the seat."

"Practically appeted holder holder and passed back and forth before the wastepaper basket in this room man and put her arm back of the corpse? She coulda stuck the dagger under the seat."

"Practically appeted holder in the room as the scene of the interposation?"

Markham gave a resigned sigh, these tricky criminal devices. We worked out various ways and means of doing seemingly impossible things; but bolting his door from the outside was something about that the cannot hours," she said to tensely: "and I can't find an answer to it. Uncle Brisbane and Mr. Wareham gave a resigned sigh, these tricky criminal devices. We worked out various ways and means of doing seemingly impossible things; but bolting his door from the outside was something about that the cannot have the hours," she said tensely: "and I can't find an answer to it. Uncle Brisbane and Mr. Wareham gave a resigned sigh, these tricky criminal devices. We worked out various ways and means of doing seemingly impossible things; but bolting his door from the outside was something about that the series of the interpolation?"

Vance pushed a chair forward the series of the interpolation?"

Vance pushed a chair forward the series of the interpolation?

We could door for several hours," she said tensely: "and I can't find an answer to it. Uncle Brisbane and Mr. Wareham gave a resigned sigh, the series of the interpolation?"

Was could door for several hours, "she said tensely: "and I can't find an answer to it. Uncle Brisbane and Mr. Wareham gave a resigned sigh, the series of the interpolation?"

Was

stuck the dagger under the seat with all of us looking at her. And that cagy butler, he coulda done

"Arid don't overlook the Chinaman. Gamble sent him to fetch blondes. . . Most Miss Lake's breakfast tray while looked at Gamble. grasped at this remark.

That's the guy," he declared. Just a minute, Sergeant" Markture, and turned to Vance. "If, as you believe, the dagger and poker were taken from this room and hidden in Coe's bedroom this morn-hidden in

that-to hide weapons where they never could have been

never could have been. The murderer wanted the weapons found in this library. That's why he tried to hide the dagger twice—once in the egg-shell Ting yao vase, and the second time in that Yung Cheng Ting yao. And he wanted the poker to be found on the hearth—with the bloodstains on it. He wanted the weapons in He wanted the weapons in this room where Archer Coe was sitting when Gamble left the house last night. He figured on this being the murder room. And something went wrong—the er room shifted. Something strange and diabolical happened.
The corpse, with a bullet wound in his head and a revolver in his hand, decided on the bedroom upit was too late to rearrange

"Came back? Too late?" repeated Markham. "What do you mean?" Sergeant." Vance crushed out his "Just that." Vance halted and looked down at the district attorney. "Oh, he came back—he had to come back. Brisbane was killed heurs after Archer. And the reason he was too late to transfer the scene of the crime was that Arch." In the composition of the crime was that Arch. scene of the crime was that Archer's door was bolted on the inside. he scene of his murder had shifted ly demanded. out. He knew last night that Brisbane, don't y' know. You re-

R. J. Searce, Manager

At this moment Gamble appeared Markham.' at the door. He was worried and

apologetic.

"Tm very sorry, sir, to interrupt," he began, "but an item—if you know what I mean—has just occurred to me. Ordinary law," and the connection." gestion. "Some one else must have bolted the door." She spoke with synical lightness. "It's quite a problem, isn't it?"

"Are you sure you can't hale at Occurred to me. Ordinary law," and Mrs. Glen Miller and daughter Glenis spent from Saturday afternoon till Sunday evening." "Are you sure you can't hale at Occurred to me. Ordinary law, and me. The connection." gestion. "Some one else must have bolted the door." She spoke with synical lightness. "It's quite a problem, isn't it?"

"Are you sure you can't hale at Occurred to me. Ordinary law, and the connection." gestion. "Some one else must have bolted the door." She spoke with synical lightness. "It's quite a problem, isn't it?"

occurred to me. Ordinarily I would have thought little or nothing of "Let me question Miss Lake a bit it, but in view—"

"Let me question Miss Lake a bit further. I could bear a bit of am-

vance pushed a chair forward removed the top.

"Practically empty," he mused.
"Not a gold case—therefore thrown away." He smeared a little of the rouge on his finger and smelled it. "Duplaix's Carmine. Made for blondes. . . Most interestin." He looked at Gamble.

Vance pushed a chair forward for her.
"We wanted to ask you, Miss mouth with slow deliberation. "You mean to tell me that you and Brisbane and Mr. Wrede actually discussed the possibilities of bolting this door from the outside?" that was your phrase. What form the way of th You left the house last night, take?

sir. I couldn't say exactly."
"And you are quite sure Mr. ham suppressed him with a gesture, and turned to Vance. "If, as Archer Coe had no visitor at the

"Yes, yes. So you told me." Vance criminology'?"
She shot Vance a quick look and Lake had become frigid and indifferent again. "He always ridiculed "Yes, yes. So you told me." Vance could have been in the house this morning."

"Not necessarily." Vance shook his head mildly. "There are several persons here who know more than they've admitted. ... No, no, it was a stupid act. The murderer could not have done it. It was some one that the possible of the persons have done it. It was some one that the possible owner of that lipstick?"

"An appointment with a lady?"

"An appointment with a lady?"

"We crave to know how the owner of that lipstick?"

"An appointment with a lady?"

"We crave to know how the owner of that lipstick?"

"An appointment with a lady?"

"We crave to know how the owner of that lipstick?"

"The butler for some reason reason reason reason reason reason reason reason."
